BOARD MEETING: Regular
DATE: Wednesday, February 15, 2017
TIME: 6:15 p.m.
PLACE: Naples High School Cafeteria

I. Meeting Called to Order
II. Roll Call
III. Adopt the Agenda of the Regular Meeting of February 15, 2017 (Board Action)
IV. Executive Session (Board Action)
V. Pledge of Allegiance
VI. Public Comments: The Board of Education invites you, the residents of our school community, to feel comfortable in sharing matters of interest or concern that you might have with us. The Board President will be happy to recognize those of you who wish to speak. We would ask that you come forward and please identify yourself before presenting your thoughts.

Those items brought to the attention of the Board during this time may be taken under consideration for future response or action. (*Individual comments will be limited to three minutes.)*

As a matter of courtesy, we ask that issues related to specific School District personnel or students be brought to the attention of the Superintendent of Schools privately. Thank you for this consideration.

Board Reponse: The Board of Education is committed to keeping communication open and transparent. The Board of Education President will be working with the Board and the Superintendent to make every effort to respond to public comments directed to the Board of Education at previous meetings, during the next scheduled meeting.

2nd: **Jacob Hall**
Resolved, that the Board of Education approves the agenda of the Regular Meeting of February 15, 2017 as presented.
Voting Yes: 7 **Motion Carried**
Voting No: 0

Motion: **Robert Hotchkiss**
2nd: **Robert Brautigam**
Resolved, that the Board of Education approves calling an executive session at 6:17 p.m. for the purpose of discussing the employment history of a particular person or persons.
Voting Yes: 7 **Motion Carried**
Voting No: 0

1st Vice President Joseph Callaghan arrived at 6:31 p.m.

Time out of Executive Session: 7:09 p.m.

Public Comments

None

Board Response

None

Points of Interest

Board of Education President Margo Ulmer spoke about an software application that is available to students who plan to attend college that will link them to potential scholarship opportunities.

Superintendent Matthew Frahm thanked Board of Education 2nd Vice President Jacob Hall for presenting to students on engineering and talked about a meeting that he had with a New York State School Boards Association representative and distributed a packet of material to Board members.

Mr. Hall thanked Mr. Frahm for the calls that he made as part of the first 100 days of school.

Mrs. Ulmer passed around a thank you card from Operation Santa to the Board of Education and thanked Student Representative Seth Price for writing it.

Superintendent Recognitions &Updates

Superintendent Matthew Frahm spoke about some "Points of Pride" including Global teacher Elizabeth Wolf for receiving the Golden Apple award, the in-district support for the family of deceased sixth grader Madelyn Barton, had a moment of silence for Miss Barton, Maeya Yeateman and Claire Radak for participating in the Rotary Oratorical Competition, Valentine's for Veterans, three seniors on the Basketball team for recognizing Food Service Cook Roberta Stevens, Kayc Cass-Northrup's Kindergarten class using Ipads, and the Project Based Learning experience.

Mr. Frahm presented a graduation diploma to Alyson Bassett and members of the faculty shared some thoughts and memories on Miss Bassett.

Mr. Frahm, Assistant Superintendent for Business Mitchell Ball, and Architect Vic Tomaselli from SEI Design Group gave a presentation on a proposed capital project. A period of questions and comments by the Board of Education followed.

Public Comment

Barbara Howard applauded the district for their long term approach to capital planning and inquired about reserve fund levels. Mr. Ball provided a response.

Julie Sherwood requested more information on the bus loop design in the front of the Elementary School. Mr. Ball provided a response.

Superintendent Recognitions &Updates Continued

Assistant Superintendent for Business Mitchell Ball presented a budget update.

Board Reports

Board of Education Member and Budget Committee Member Gail Musnicki reviewed items as discussed in the Budget Committee Meeting including Cyber Breach Coverage and Student Accident Insurance.

Mr. Hall reviewed items as discussed in the Wayne-Finger Lakes Board of Cooperative Education Services Meeting including the change to Therapeutic Crisis Intervention, a trip to Orlando for students of the culinary program, and a trip for cosmetology students to New York City.

Administrative Reports

Student Representative Seth Price spoke briefly about interscholastic sports, extracurricular activities; charitable activities, student academics, student activities; and student clubs.

Voting Yes: 8 **Motion Carried**
Voting No: 0

Motion: Jacob Hall
2nd: Carter Chapman
There being no further business, the Regular Meeting of February 15, 2017 is hereby adjourned at 9:12 p.m.

Voting Yes: 8 **Motion Carried**
Voting No: 0

Dated this 15th day of February, 2017

Mitchell J. Ball
District Clerk

SUBJECT: PRE-REFERRAL INTERVENTION STRATEGIES IN GENERAL EDUCATION (PRIOR TO A REFERRAL FOR SPECIAL EDUCATION)

The District will implement schoolwide approaches and pre-referral interventions in order to remediate a student's performance within the general education setting prior to referral to the Committee on Special Education (CSE) for special education. The determination of prevention and pre-referral intervention strategies or services will take into consideration the student's strengths, environment, social history, language, and cultural diversity, in addition to the teacher's concerns. The District may also provide a Response to Intervention (RtI) program to eligible students that is developed in accordance with Commissioner's regulations as part of its school-wide approach to improve a student's academic performance prior to a referral for special education.

The provision of programs and/or services for students starts with consideration and implementation of instruction in the general education curriculum, with appropriate supports, or modifications as may be necessary. In implementing pre-referral intervention strategies, the District may utilize resources or strategies already in place for qualified students including, but not limited to, services available through Section 504 of the Rehabilitation Act of 1973 and Academic Intervention Services (AIS) as defined in Education Law and/or Commissioner's Regulations. The District will ensure that there is a system in place, with qualified, appropriately certified personnel, for developing, implementing and evaluating pre-referral intervention strategies.

If a student is identified as needing additional instructional support, the District will establish formal instructional teams in accordance with law, regulations, and District guidelines, as may be applicable, to review information from the student's work, screenings, and assessments. The instructional teams will include representatives from general and special education as well as other disciplines and include individuals with classroom experience, who may then recommend which type of instructional support the student requires and the frequency with which he or she should receive these services or supports. The building administrator will further ensure that all staff are familiar with intervention procedures and procedures for operating an instructional team. Parents or persons in parental relation to students will be involved in developing pre-referral strategies to address the educational needs of their child. Additionally, the District will seek collaboration between outside agencies and the school prior to a referral of the student to the CSE in order to address necessary student support services.

District administration will also ensure that opportunities exist for collaboration between general educators and special educators, and that consultation and support are available to teachers and other school personnel to assist parents or persons in parental relation to students and teachers in exploring alternative approaches for meeting the individual needs of any student prior to formal referral for special education.

Pre-referral/Intervention Instructional Support Plans shall be designed so as to set forth proactive strategies to meet the broad range of individual student needs and to improve student performance. Pre-referral/Intervention strategies and/or Instructional Support Plans will be reviewed and evaluated to determine their effectiveness and modified as appropriate. Appropriate documentation of the prevention and/or intervention strategies implemented will be maintained.

(Continued)

SUBJECT: PRE-REFERRAL INTERVENTION STRATEGIES (Cont'd.)

If a referral is made to the CSE during the course of implementing pre-referral/intervention instructional support services, the CSE is obligated to fulfill its duties and functions, and must meet mandatory time lines in evaluating the student for special education services and implementation of an individualized education program (IEP), if applicable.

Academic Intervention Services

The Board will provide to students at risk of not achieving state standards with AIS. AIS means additional instruction which supplements the instruction provided in the general education curriculum and assists students in meeting those state learning standards as defined in Commissioner's regulations and/or student support services which may include guidance, counseling, attendance, and study skills which are needed to support improved academic performance. The District will identify students to receive AIS through a two-step identification process set forth in Commissioner's regulations.

The District will provide AIS to students who are limited English proficient (LEP) and are determined, through uniformly applied District-developed procedures, to be at risk of not achieving state learning standards in English language arts, mathematics, social studies and/or science, through English or the student's native language.

The District has developed a description of the AIS offered to grades K through 12 students in need of these services. The description includes any variations in services in schools within the District and specifically sets forth:

a) The District-wide procedure(s) used to determine the need for AIS;

b) Academic intervention instructional and/or student support services to be provided;

c) Whether instructional services and/or student support services are offered during the regular school day or during an extended school day or year; and

d) The criteria for ending services, including, if appropriate, performance levels that students must obtain on District-selected assessments.

The District will review and revise this description every two years based on student performance results.

<u>Parental Notification</u>

a) Commencement of Services: Parents or persons in parental relation to a student who has been determined to need AIS will be notified in writing by the building principal. This notice will be provided in English and translated into the parent's native language or mode of communication, as necessary. The notice will also include a summary of the AIS to be provided to the student, why the student requires these services, and the consequences of not achieving expected performance levels.

(Continued)

SUBJECT: PRE-REFERRAL INTERVENTION STRATEGIES (Cont'd.)

b) Ending of AIS: Parents or persons in parental relation will be notified in writing when AIS is no longer needed. This notice will be provided in English and translated to the parent's native language or mode of communication, as necessary.

Parents will be provided with ongoing opportunities to consult with the student's teachers and other professional staff providing AIS, receive reports on the student's progress, and information on ways to work with their child to improve achievement.

§ Section 504 of the Rehabilitation Act of 1973, 29 United States Code (USC) § Section 794 et seq.
Education Law §§ Sections 3602(32), 4401 and 4401-a
8 New York Code of Rules and Regulations (NYCRR) §§ Sections 100.1(g), 100.1(p), 100.1(r), 100.1(s), 100.1(t), 100.2(v), 100.2(dd)(4), 100.2(ee), 200.2(b)(7), 200.4(a)(2), 200.4(a)(9); 200.4(c), and Part 154

NOTE: Refer also to Policy #7212 – Response to Intervention (RtI) Process

Adopted: 06/27/07
Revised: 02/15/17

February 9, 2017

Dear Mr. Matthew Frahm, Ms. Kristina Saucke and members of the Naples School Board,

It is hard to believe that I have been a member of the Naples Central School community since the fall of 2000. I was welcomed to this community as a student teacher and then again in the fall of 2001 as a full time elementary teacher. While here for the past 16 years, I have learned so much from the students and have been honored to be a part of so many families in the community. As we have accepted the multiple changes that have occurred in the educational field, I have learned that my passion is teaching and helping students learn to read.

I have been given the opportunity to teach reading to students as a full time reading teacher in the Dansville Central School District. This is my hometown and the district that my two daughters attend. This is an amazing opportunity that I feel will help me to continue to teach children to read and learn to love to read as well as be a bigger part in my daughter's educational future.

As a result of this opportunity, I will be resigning on February 19, 2017 as an elementary teacher.

I will continue to be in contact with many families in the community and look forward to coming back to see the students within the community. Thank you for allowing me to be a part of the Naples Central School and community for the past 16 years. You will always remain a large part of who I am as an educator.

Sincerely,

Mrs. Brandi Bishop

Mrs. Brandi Bishop

To Whom It May Concern February 2, 2017

I am resigning my position as a two run bus driver effective the end of work day on February 28, 2017.

Rocky Dean
