## Candidate Information Form

Name: Philip Rose School District: Sodus

### PART I: Board Experience

I have had the privilege of serving on the Wayne-Finger Lakes BOCES Board for the past nine years, most recently serving as Vice President. I have chaired the Audit and Evaluation Committees and participated on Audit, Building and Grounds, and Evaluation Committees. I have partaken in many Regional, State, and National training experiences.

Before serving on the WFL-BOCES Board, I served on the Sodus Board of Education for four and a half years. During my time on that Board, I served on numerous committees, including Audit, Skateboard, Wayne County Education Coalition and the Board Retreat Planning Committee. I also participated in many search committees for Vice Principals, Principals, and a new Superintendent. Additionally, I served on the Four County School Boards Association Legislative Committee and Board of Directors, and also served as Chair of the Legislative Committee.

### PART II: Interest in BOCES Board Seat

As a current WFL-BOCES Board member, I am seeking re-election to the seat. I have a great respect in all that WFL-BOCES does for students, particularly in the role of collaboration and facilitation among all stakeholders – working to help maximize resources for member Districts, identifying skill sets that should become programs and facilitating program creation, facilitating school to work opportunities, providing collaborative leadership and professional development services to member Districts, and much more.

I believe that a healthy mix of minds fosters great thoughts and methods, and as an out-of-the-box thinker myself, I want to continue to help review status quo and participate in deriving fresh, better ways to solve never-ending problems. Thank you for allowing me to be one of those minds over the past six years. I believe as a Board we continue to break much new ground, and I would appreciate the opportunity to continue that successful path.

### PART III: Additional Information

I graduated from Auburn High School, Cayuga Community College, Rochester Institute of Technology, and Ashford University, and hold degrees in computer science (AS), printing management (BS), and organizational leadership (MBA). I became a Sodus resident a little over sixteen years ago, moving here with my wife and five of my seven children. Five of my children graduated from Sodus High School.

From a business perspective, I work for Xerox leading product launch for our wholly owned subsidiary, Xerox Business Solutions. My 30+-year career path has spanned advertising design, systems programming,

production management, research and development and product marketing. I am a proud recipient of 16 US Patents. Also, I run a part-time woodworking business to help support that hobby.

Thank you for your consideration. I have been thrilled to contribute my knowledge and passion to the WFL-BOCES Board for the past nine years, and would appreciate your support to continue in the efforts for another term.

*Please return this completed form to Cindy Murray, Board Clerk, by Friday, April 1, 2022.  
It will be forwarded to component boards of education prior to the vote held on Wednesday, April 27, 2022.*

## JOSEPH McNAMARA

### PART I: BOARD EXPERIENCE

I have been involved with the Seneca Falls Board of Education for more than 20 years and have been a member of the Wayne-Finger Lakes BOCES Board of Education for the past 9 years. I also currently serve as Vice President of the 4 Counties School Board Association. I first became active when asked to be a Parent, Community, & Small Business Representative to the 2004-05 Seneca Falls – Waterloo Merger Study, where I facilitated town hall meetings exploring a potential district merger. I was asked to assist the Board of Education by participating on a Community Finance Advisory Committee from 2006-08. I was elected to the SF Board of Education in 2008. I served as Vice President of the Board from 2009-12 and was elected President in 2012 and served as President until stepping down in 2019. I take a proactively supportive role in helping our district's administrative team manage large-scale projects and planning. Major projects during my tenure have included multiple merger studies, capital projects, and hiring an incoming superintendent. During my tenure on the SF Board of Education, I have attended regional training sessions on leadership and budget oversight. I have worked to expand the SF Board's role in advocacy and collaboration through NYSSBA, 4 Counties School Board Association, and the Rural Schools Association. In addition, I strive to build school and community connections and resource-sharing among all stake-holders in public education, with the ultimate goal of providing students with the educational experiences and opportunities that will enable them to attain the skills and aptitudes necessary for success throughout their lives. In my role as WFL BOCES Board Member, I chair the Policy Review Committee, and serve on the Audit and Safety Committees. I have served as treasurer, and currently serve as secretary of the Educational Foundation Advisory Committee. I am the NYSSBA Legislative liaison, and I also serve as BOCES liaison to two local school districts. My WFL BOCES Board of Education colleagues and I continually advocate to NYS legislators in Albany about educational mandates, district salary caps, and other initiatives important to BOCES member districts.

### PART II: INTEREST IN BOCES BOARD SEAT

I would like to continue my work in expanding the essential role of facilitating collaboration and communication among all stake-holders in education as a member of the WFL BOCES board. BOCES assists local school districts in maximizing academic programs and specialized support services necessary to enable all students adequate opportunities to attain current skills and develop skills they will need in the future. In addition, BOCES extends academic program offerings by providing vocational education opportunities, highly specialized instructional programs for special needs students, and a crosswalk for school-to-work opportunities. BOCES also provides collaborative educational leadership, professional development, and cooperative infrastructure services, to assist in maximizing efficiencies and effectiveness at all levels of education.

My experience, supportive leadership style, and communication skills fit with the Wayne-Finger Lakes BOCES mission. I believe my record as a BOE Member at the local and regional levels and

my passion for supporting and strengthening our education system would continue to be beneficial to the Wayne-Finger Lakes BOCES Board of Education. As a father of five, with experience in the agriculture, transportation, finance, and service industries, large and small business management, self-employment, advocacy, mediation, and community service, I would like to further extend my support of public education at the regional level, where I truly enjoy watching our students flourish, celebrate their successes, and graduate with employable skills and their own sense of self and direction for their future.

The Naples Central School District (hereinafter referred to as the "District") and the CSEA, Inc. (hereinafter referred to as the "CSEA"), (collectively referred to as the "Parties") are parties to a collective bargaining 2019-2025 Agreement (hereinafter referred to as the "CBA") and recognize:

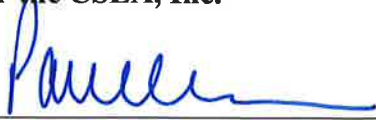

1. Article 23.2(1) of the CBA discusses extra duty pay for bus driver training;
2. New bus drivers are required to attend a 30-hour bus driver training course and receive a stipend after completion;
3. The District would like to acknowledge the time commitment for this training course; and
4. The Parties wish to resolve certain issues within each of the above referenced sections and in the best interest of the CSEA and the District.

Therefore, the Parties agree as follows:

1. The District shall pay current bus drivers that attended the 30-hour bus driver course outside of work hours in the 2019-2020, 2020-2021, and 2021-2022 school years at a rate of \$13.20 per hour (the current NYS minimum wage rate) for attendance at the course, less any amount the bus driver may have received after initial completion of the course. For example, a driver that completed the course in the 2020-2021 school year and received an \$80 stipend for his/her attendance, shall receive:  $30 \times \$13.20$  minus  $\$80 = \$316$ .

6. By their signature below, the parties acknowledge the above understanding is being made based on the particular circumstances involved and that this agreement shall not serve as

a precedent in any future application or interpretation of the collectively bargained agreement between the parties, except as stated therein.
