Points of Interest:

Superintendent Recognitions & Updates:

Superintendent's Update –Superintendent Swartz stated the Naples Robotics Team placed 7th out of 52 teams at the competition in Ohio, congratulating them on a great job; Spring sports have kicked off and it's great to see the kids outside playing; ELA and Math testing begins next week, with Science following in late May, thanking our administrators noting the amount of prep work behind the scenes is immense for the state exams; the District has posted the School Resource Officer position through Ontario County, noting we should have a number of candidates to choose from; A week or so ago Shawn Mason, Chad Hunt and Mr. Swartz had the chance to visit Jon Betrus' Environmental Education class, noting a number of students spoke about projects they would like to do, adding one of the students, CeCe DeMallie, proposed having a Hammock Hangout, stating she did a wonderful job articulating the how and why of her proposal, adding CeCe had met with Nedelcho Neumann and asked him to draw up her proposed design on CAD, then presented her proposal at the Facilities Committee meeting, adding they were very impressed.

Student Representative Update – Student Representative Nedelcho Neumann stated the baseball team won 2-1 against Bloomfield; A lot of the sports teams are just starting, its very early in the season; the Boys Varsity Baseball Team has a lot of seniors this year so it should be a good season; Robotics competed in Ohio and placed 7th in the competition, also winning the Imagery Award, stating it was a cool experience.

School Business Administrator Update – School Business Administrator Chad Hunt presented the Budget Update, noting the state has not passed their budget yet, however it does not look like our aid numbers will change from the projected three percent increase; Universal free breakfast and lunch may be reinstated by the state; BOCES, textbook and transportation aid is all expense driven; the District is having a hard time recruiting Bus Drivers therefore we have had a decrease in Transportation spending; The maximum CAP is 4.1% noting they feel the District does not need to go to the maximum CAP to accomplish our goals and we will be going out at 2.5%; Mr. Hunt specified Miscellaneous Revenue is Federal Stimulus money and will probably be decreasing by about half a million dollars in the next budget cycle so we will have to plan to make up that money; There are some decreases in expenditures related to a decrease in costs for masks and sanitizer; Health Insurance costs have increased about 9%; Debt service has also increased due to the Capital Project; the District is receiving \$750,000 from NYS towards the purchase of two EV buses, with the remaining balance of \$13,741 to be paid from the general fund; the District is also receiving a \$40,000 NYS grant towards the infrastructure for the electric buses, noting the remaining cost for the installation of the infrastructure will be covered by the proposition to use of the 2021 Capital Reserve Fund to be voted on along with the school budget; the largest part of the school budget is Student Programming at 73.8%.

Mr. Hunt noted the Naples Public Library will be voting on two seats for their board of trustees, and the Library Levy proposal, then introduced Kendyl Litwiller from the Naples Public Library. Kendyl reviewed the proposed Library Budget, handing out information on current projects, including the Library expansion, noting the elevator will be coming at the end of May.

Mr. Hunt announced that the Budget Hearing will be held on May 3rd at 6:00 p.m. and the Annual Budget and Board Member Vote will be held on May 16th from 7:00 a.m. to 8:00 p.m.

Board Reports:

Facilities Committee Report – Board Member Gail Musnicki stated Elementary Principal Kristina A. Saucke came in and worked with the architects completing the finishing touches for the Elementary school project; the District will be installing address signs for the Elementary School, High School and Bus Garage; the state has finished with the architectural review of the capital project, noting the mechanical review is next and then the project manager review will follow the mechanical review, adding we are hoping to get the asbestos abatement done in the Elementary hallway this summer; the Hammock Hangout presentation was great, noting Ms. DeMallie was well prepared and did an amazing job.

Dear Mr. Hall,

On behalf of the Board of Directors of Bristol Valley Theater, I would like to personally thank you for the donation of 200 auditorium seats from the existing school auditorium.

This gesture of generosity is overwhelming and will greatly enhance the seating comfort for our many patrons that attend events at the theater.

Please be assured that Bristol Valley Theater will acknowledge the generosity of the district to our patrons and that we are honored to be able to keep a piece of Naples history here in town for the enjoyment and comfort of all who attend events at the theater.

Sincerely,

Patrick Elwell – President
Bristol Valley Theater Board of Directors
