

In order to enroll in a Community Education Class or Activity follow the steps below:

- 1.) View the currently available classes or activities by clicking on the "Current Classes" link below.
- 2.) Once on the "Current Classes" page, explore the course / activity that you are interested in by clicking on that courses link.
- 3.) Contact the instructor of your desired course with any questions you may have.
- 4.) Download, complete, and return the "[Adult Education Registration Form](#)" and payment directly to your Instructor (or to the address on top of the form) prior to the start of class (note: some classes or activities may allow you to join at any time). Checks should be made out to your instructor and not Naples Central School District.
- 5.) Report to your class and have a great time!
