WHEREAS, the Naples Central School District (the District) seeks to undertake a district wide capital improvement project consisting of:

Acquisition of property consisting of approximately 3.82 acres contiguous to the Naples Central School District along Widmer Lane, located on North Main Street, in addition to renovations at the District's High School and Elementary School, including, but not limited to vehicular drive renovation, parking lot and sidewalk renovations, landscaping and building additions and renovations, as well as demolition of the existing bus facility and construction of a new bus maintenance facility to include security lighting, fencing, a storm water maintenance system, sanitary system, associated utilities and landscaping.

WHEREAS, the State Environmental Quality Review Act ("SEQRA") and the regulations thereunder require the Board to undertake a review of the potential environmental impacts, if any, associated with the project before approving same; and

WHEREAS, this project is a Type 1 Action within the meaning of SEQRA; and

WHEREAS, on February 7, 2017, a notice was transmitted to all involved agencies of the Board's desire to act as lead agency with respect to the environmental review of the proposed Project; and

WHEREAS, no agency has objected to the designation of the Board as lead agency with respect to the environmental review of the proposed Project; and

WHEREAS, 6 NYCRR Section 617.7 requires a lead agency to Issue a written determination of significance with respect to any proposed Type 1 action;

WHEREAS, the Board has carefully considered the nature and scope of the proposed Project, as set forth in the Full Environmental Assessment Form prepared with respect to such action, and makes the following determinations:

1. The proposed action involves:

Acquisition of property consisting of approximately 3.82 acres contiguous to the Naples Central School District along Widmer Lane, located on North Main Street, in addition to renovations at the District's High School and Elementary School, including, but not limited to vehicular drive renovation, parking lot and sidewalk renovations, landscaping and building additions and renovations, as well as demolition of the existing bus facility and construction of a new bus maintenance facility to include security lighting, fencing, a storm water maintenance system, sanitary system, associated utilities and landscaping.

2. The proposed action is classified under SEQRA as a Type 1 action within the meaning of 6 NYCRR §617.4.
3. Upon consideration of the action, review of the Environmental Assessment Form, the criteria contained in 6 NYCRR §617.4, and all other supporting information, the Board identifies the following relevant areas of environmental concern, as set forth hereafter, and analyzes whether the proposed action may have a significant adverse impact on the environment.
4. The development and use of the property will result in a small to moderate impact on land during the period of construction since construction. Any impact to the land will be mitigated to the extent possible during the construction process.
5. The proposed development and use of the property will not adversely impact geological features.
6. The proposed development and use of the property will not adversely impact surface water.
7. The proposed development and use of the property will not adversely impact ground water.
8. The proposed development and use of the property will not adversely result in flooding.
9. The proposed development and use of the property will not adversely impact air.
10. The proposed development and use of the property will impact plants and animals as the result of the conversion of portions of a vineyard. The District, during construction, will take steps to minimize the extent of loss of flora or fauna.
11. The proposed development and use of the property will impact agricultural resources by the conversion of land in an agricultural district. The District seeks to utilize a minimal portion of land and will take steps to preserve the integrity of the surrounding agricultural property.
12. The proposed development and use of the property will have a small to moderate impact upon aesthetic resources. This impact will be minimized during design and the use of vegetative screening.
13. The proposed development and use of the property will not adversely impact historic or archeological resources. The District will comply with mitigation measures if any are recommended by SHPO.

14. The proposed development and use of the property will not adversely impact open space and recreation areas.
15. The proposed development and use of the property will not adversely impact critical environmental areas.
16. The proposed development and use of the property will not adversely impact transportation systems.
17. The proposed development and use of the property will not adversely impact energy.
18. The proposed development and use of the property will have a small to moderate impact upon noise, odor and light.
19. The proposed development and use of the property will have a small to moderate impact upon human health during the period of construction. Mitigation measures will be undertaken during the period of construction to minimize any impacts.
20. The proposed development and use of the property is consistent with community plans.
21. The proposed development and use of the property will have a small to moderate impact upon community character.

NOW, THEREFORE, BE IT RESOLVED, that the Board finds and concludes that the proposed action is a Type 1 Action within the meaning of 6 NYCRR 617.4; and it is further

RESOLVED that the Board hereby declares itself lead agency with respect to the environmental review of the proposed project; and it is further

RESOLVED, that upon consideration of the foregoing, the Board finds and concludes that the proposed action will not result in any significant adverse impacts to the environment; and it is further

RESOLVED, that the Board hereby issues a Negative Declaration with respect to the proposed action; and it is further

RESOLVED, that the Board hereby authorizes and directs the Superintendent or his designee to file this Negative Declaration with the appropriate parties and agencies.

BE IT RESOLVED BY THE BOARD OF EDUCATION AS FOLLOWS:

1. The following notices shall be added to the notice of annual meeting and election:

AND NOTICES ARE ALSO GIVEN that the following propositions will be submitted for voter approval at such time:

PROPOSITION

Shall the following resolution be adopted to wit:

RESOLVED, that the board of education of the Naples Central School District is hereby authorized to undertake certain capital improvements consisting of the acquisition of land, or rights in land, to include up to approximately 3.82 acres located contiguous to Naples Central School District property along Widmer Lane, and construction and reconstruction of school buildings and facilities, including, without limitation, school building reconstruction and demolition of the existing bus garage and the construction of a new bus garage, various site improvements and the acquisition of certain original furnishings, equipment, and apparatus and other incidental improvements required in connection therewith for such construction and school use, all at an estimated maximum aggregate cost of \$7,725,000; and to appropriate and expend from existing capital reserve funds \$3,730,000 for such costs, and that the balance of such costs, or so much thereof as may be necessary, shall be raised by the levy of a tax to be collected in annual installments, with such tax to be offset by state aid available therefor; and, in anticipation of such tax, debt obligations of the school district as may be necessary not to exceed \$3,995,000 shall be issued. A metes and bounds legal description of such real property to be acquired will be available for inspection at such voter meeting and is incorporated and adopted herein.

NOTICE IS HEREBY FURTHER GIVEN that the text of the aforesaid proposition may appear on the ballot labels in the following abbreviated form:

PROPOSITION

Shall the proposition set forth in the legal notice of this annual voter meeting, authorizing acquisition by the Naples Central School District of approximately 3.82 acres of land located contiguous to the District property along Widmer Lane, and construction and reconstruction and equipping of school buildings and facilities, including, without limitation, school building reconstruction and bus garage demolition and the construction of a new bus garage, various site and incidental improvements, all at an estimated maximum aggregate cost of \$7,725,000; with the expenditure of \$3,730,000 from the existing capital reserve fund for such costs, the issuance of up to \$3,995,000 of debt obligations of the School District to finance the balance of such costs, and the levy of a tax in annual installments therefor, with such tax to be offset by state aid available therefor, all as more fully described in said notice, be approved?

The School District, acting as lead agency under the State Environmental Quality Review Act and the applicable regulations promulgated thereunder ("SEQRA"), has completed its environmental review and, on March 15, 2017, has duly issued a negative declaration and has determined that the implementation of the type I action as proposed will not result in any significant adverse environmental impacts.

2. At such meeting taxes to be levied by installments will be proposed providing for payment of such capital costs and providing for the financing costs therefor. Such taxes shall be

levied upon all the taxable property of the District, shall be levied in annual installments and shall be of such amounts and levied in such years as may be determined by the Board of Education.

3. The District Clerk or the Clerk's designee is hereby directed to add the above to the notice of the annual meeting of the School District.

4. All actions by the School District prior to the final environmental determination by the Board of Education under SEQRA, if any, are hereby found and determined to have been preliminary planning activities under SEQRA necessary to the formulation of a proposal for action which did not commit the School District to commence, engage in, fund or approve any portion of the proposed capital improvement project and financing therefor.

5. This resolution shall take effect immediately upon its adoption.

PROPOSITION

BE IT RESOLVED, by the Board of Education of Naples Central School District, as follows:

Section 1. The proposition hereinafter set forth is hereby authorized to be submitted for the approval of the qualified voters of the District on the 16th day of May, 2017 (the "Vote")

Section 2. The proposition set forth below shall be submitted at the Vote and the Clerk shall include notice of the proposition in substantially the following form in the notice of the Vote:

NOTICE IS HEREBY FURTHER GIVEN that at the Vote to be held on May 16, 2017, the following proposition will be submitted:

PROPOSITION

Purchase of School Buses and Van

Shall the Board of Education of Naples Central School District be authorized to purchase one (1) 60-Passenger school bus; one (1) 20-passenger school bus, and one (1) 8-passenger van at a total maximum estimated cost not to exceed \$240,497.85, and to finance all or any part of such purchase as may be necessary by \$238,272.00 to be paid from the District's Transportation Capital Reserve Fund and the balance to be paid from the District's General Fund.

Section 3. This resolution shall take effect immediately upon its adoption.

PROPOSITION

Library Trustee

Shall the following resolution be adopted to wit:

NOTICE IS HEREBY GIVEN, that at such election the vote upon a proposition will be presented to the residents of the Naples Central School District for the election of one (1) members of the Library Board of Trustees of the public library to serve terms of five (5) years commencing July 1, 2017 and expiring on June 30, 2022 to succeed Judy Kaminski, whose term expires on June 30, 2017.

AND FURTHER NOTICE IS HEREBY GIVEN, that petitions nominating candidates for the office of member of Library Board of Trustees shall be filed with the District Clerk of said

Naples Elementary School Board of Education Updates ~ February 2017

(On the left, Mrs. Northrop's class after a digital citizenship lesson. They created their own hats using their online nicknames. On the right is a group of students discussing strategies to deal with bullying, including cyberbullying.)

Digital Citizenship

A focus group has been meeting at the Elementary School to discuss steps moving forward with digital citizenship. This includes conversations around instruction, safety, and parent involvement.

Steps already put into place:

- Faculty Meeting discussion on February 6th focused on Technology Integration. This included sharing a Technology progression template created by Mrs. Radin-Snaith and Mrs. Wordingham. Staff also engaged in conversation regarding keyboarding instruction. The rest of the meeting centered on an introduction to Digital Citizenship and the need to increase instruction in this area.
- Ongoing Media Center Instruction with Mrs. Infantino
- Shifting of one computer lab class each month (k-6) to focus specifically on digital citizenship and cyber safety using Common Sense Media curriculum, along with other resources.
- Conversation at Safety Team meetings (District and Building level) regarding Digital Citizenship

Future steps:

- Community showing of "Screenagers" film
- Monthly focus group meetings
- Deputy Jaus presentations

Educon 2.9

I had the amazing opportunity to join six other staff members from both buildings (Bridget Ashton, Anneke Radin-Snaith, Carrie Grove, Ryan Betrus, Alyson Powers, and Michelle Walpole) to attend this national "innovation conference" in Philadelphia. Additionally, Anneke and I presented a session titled, *"Appealing to the Heart, Getting the Most out of Teacher-Principal Relationships."* It was a fantastic growth opportunity for me to do something out of my normal role and step into the world of staff developers. It is safe to say, Anneke is much more skilled in this area than I am! I was so grateful for the opportunity to step outside of my comfort

zone and help lead an engaging conversation on a topic that I value so highly.

For those of you who don't know, Educon a conference that we have sent staff to for the last 5 years. It started out with 2 faculty members and has increased to 7 this year. Everyone who has attended has come back with an energy that is hard to put into words. The best way to describe it is to share how the guiding principles behind Educon fit well with our district priorities:

1. *Our schools must be inquiry-driven, thoughtful and empowering for all members.*
2. *Our schools must be about co-creating — together with our students — the 21st Century Citizen.*
3. *Technology must serve pedagogy, not the other way around.*
4. *Technology must enable students to research, create, communicate, and collaborate.*
5. *Learning can — and must — be networked.*

This was a weekend well spent and the list of takeaways is long! Some of the highlights were:

- Time spent visiting the Science Leadership Academy while school was in session
- Endless professional conversation and idea sharing among Naples colleagues
- Professional conversations with educators from all over the country
- Ideas and resources for educating around transgender awareness
- Evening symposium (discussion panel) with Education leaders from around the country
- A structure for peer-to-peer visits
- Ideas for LOTE instruction
- Discussion of core values, student-centric schools, and sustainability of change

Collaboration with our Instructional Coach Carrie Grove:

- Monthly curriculum mapping continues. Carrie facilitates grade level team meetings that focus on creating ELA curriculum maps, as well as any necessary updates to our Math curriculum maps. Carrie has also worked with teams to fill in and update the Integrated Projects document. This cross content resource supports Special Area Teachers in the planning of lessons that support grade level curriculum topics. **Carrie will attend our April 12th meeting to discuss progress and share these documents with you.**
- Organization and Scheduling of Tier III RTI meetings with Mrs. Mead. These take place monthly and focus on students with the highest needs that require the most intensive interventions (and possibly special education supports).
- Support for teachers in AIMSweb and RTIm
- Visits to K-2 classrooms for direct coaching/curriculum support
- Safety Patrol recruitment (December), interviews (January) and training (February)
- Benchmarking of all students UPK-6 using Fountas and Pinnell text levels
- Staff newsletter "Learning Bytes" (with Anneke) to provide staff with updates and resources
- Assistance in organizing and creating a schedule for learning walks. Our next collaboration will be in April when UPK-2 teachers from Canandaigua, Marcus Whitman and Naples visit teachers at Midlakes. In May, these 3 districts will travel to Naples for a day of learning and collaboration at the primary level. ☺

March 2017

Noteworthy Celebrations

Academic and Extracurricular Acknowledgements

- Congratulations to the cast and crew of Beauty and the Beast! Everyone involved did an incredible job...an absolute source of pride for the entire Naples community. The Daily Messenger included a story about our Beauty and the Beast production on Friday, 3/3. You may access the story [here](#).
- A shout out to Mr. Freivald and his Robotics team, The Grapes of Wrath, who competed 3/16 - 18 at the Gordon Field House at RIT and will compete again in Ohio 3/23 - 3/25.
- Wow! Emmett Felton has advanced to FINALIST standing in the National Merit Scholarship Program! He has achieved this honor by demonstrating distinguished performance and high potential for future academic accomplishment! Emmett is qualified for one of 7500 Merit Scholarships, which are due to be announced this spring.
- Congratulations to Alicia Quarterman, Claire Radak and Maya Yeatman for their participation in the ROTARY sponsored, District 7120 Oratorical Contest,
- A shout out to Owen Kennedy, the Sophomore class, and its advisers for coordinating the epic dodge-ball tournament that was held on Friday, March 3. Student responses to the event: "This was awesome!" "Can we do this every month?"

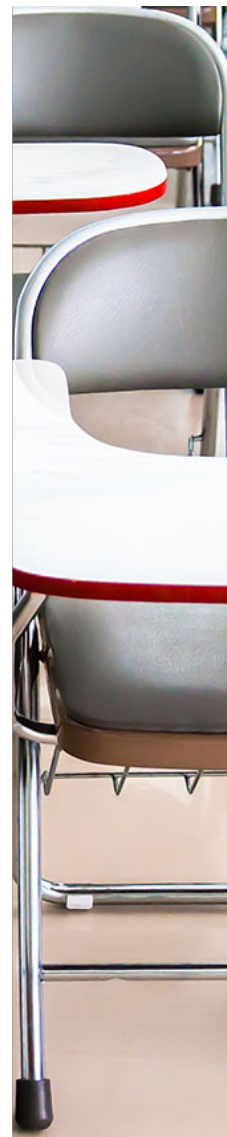

- Congratulations to MacKenzie Northrop for Top of the Trade in Health Professions.
- Congratulations to Hannah DelGatto for being recognized as being Top of the Trade in Criminal Justice and to Hunter Waldeis for Electrical Trades.
- Congratulations to Alyson Bassett and Connor Carlson on early graduations! Both were awarded their diplomas in January.
- Welcome back to all of the students and staff who traveled to Costa Rica over February break! From all accounts, this was an incredible opportunity for our students to engage in travel and learning!
- Wow! Maddie Gras was truly a celebration and tribute to Maddie! For those of you who did not yet see / read the Canandaigua Messenger article, ***Party Time for Naples "Angel on Earth,"*** click [here](#).
- Naples is featured in the Spring publication of Community health for its commitment to health and wellness. Copies of the articles are posted in the HS Copy Room.

Professional Learning and Staff Acknowledgements

- Wow! The ***Connecting for Kids*** Superintendent's Conference Day was incredible! Kudos to Matt Frahm, Anneke Radin-Snaith, and the Superintendents from Midlakes, Marcus Whitman and Canandaigua for collaborating to produce a FIVE STAR day of learning! A number of Naples teachers had the opportunity to share their expertise with colleagues and practitioners from participating districts.
- Thank you [@AdamChodak](#) and Ch. 8 for surprising Liz Wolfe with a Golden Apple on 2/15! See below for link to Channel 8 footage.
- Please join me in welcoming Greg Parzych to Naples! Greg joins the Social Studies Department and is teaching Psychology, Economics and Social Studies 7.
- Congratulations to Roberta Stevens who was recognized by the Varsity Boys Basketball team for her commitment and dedication as a Naples spectator and fan!

Athletics

- A shout out to all of our athletes who participated in Sectional level tournaments. The Daily Messenger did a nice write up about regional sectionals on February 15. Click [here](#) if you missed the article.
- Congratulations to our swim team, Naples Green Wave, for a second place finish in sectionals!
- Congratulations to our January athletes of the month: Chloe Louthan-Green and Whalen Jensen! Chloe Louthan-Green earned 4th place overall in Alpine Sectionals and Whalen Jensen was awarded "Swimmer of the Meet" during sectionals.
- Wow! The Naples Ski team took second place overall during the Alpine Sectionals.
- A shout out to the Boys Varsity Basketball team who triumphed over HAC, 67-53, advancing them to quarter finals at CG Finney on 2/24. While Finney took the game 77-64, we could not be more proud of our players for an incredible season.
- A shout out to the Girls Varsity basketball team who defeated Kendall on 2/23 (36-33) to advance in Sectionals at Northstar Christian on Saturday, 2/25 at 2:00. Naples fell to Northstar 67-54, but our girls showed great spirit until the end. Great season ladies!
- A shout out to our Basketball players who were recognized during Senior Nights: Chloe, Mackenzie, Jake, Zach, and Felipe!
- Congratulations to bowlers Naomi Sprague and Carol Sweetman for earning 1st in their division for doubles and to Carol Sweetman and Trischpater for taking 2nd in their division for singles!

National Honor Society Sponsors Senior Prom

- The Senior Citizen Prom was held on March 10 from 5:00 - 7:00. There was a terrific turn out and guests enjoyed a lovely meal served by NHS and live music performed by Senior, Sam Pergolizzi.

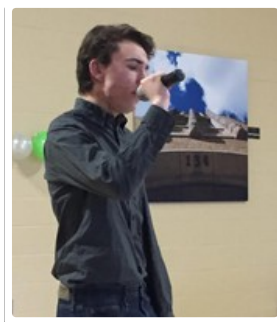

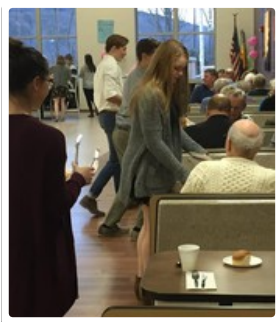

Reunification Process Developed

- In the event of a safety emergency warranting evacuation to an offsite location, our district must provide a Reunification Area and a process that is safe and secure for parents and/or guardians to pick up their children.
- The HS Safety Team met last week and developed the HS Reunification Plan found [here](#). The reunification plan will be shared with families in the March Monthly newsletter.

From the Counseling Department

- We are excited to offer some new courses, pending Board Approval. The course catalog is now available on the Naples website for parent and student review.
- Scheduling for 7th -12th grade courses is well underway!

Instructional Highlight

#NaplesUNGoals PBL Expo

- The Class of 2022 spent three half days working on PBL during the first week of February. Because they had been researching their respective topics in English class, they were ready to jump into the hands on portion on February 1st. Each group was tasked with creating an iMovie trailer about their topic, a presentation explaining their topic and their solution, and some type of takeaway for people who visited their booth. Students spent half of the Expo attending their own booth and the other half visiting their peers' booths so that they could be well-informed about all the topics. At the end of the Expo, the students voted on which topic the entire class will be focusing on the spring. The topic with the most votes was: Goal 2: End hunger, achieve food security and improved nutrition and promote sustainable agriculture. The students and staff did an excellent job with the Expo! We're hoping to have students come talk to the Board about their project at some point this spring. Click [here](#) to see a short (1 minute) video of the experience.

Professional Development

March 17 Regional Conference Day

- Nearly 1000 educators from Midlakes, Marcus Whitman, Canandaigua joined on March 17 for a Regional Conference Day which was themed, "Connecting for Kids." This was a full day professional development opportunity which included workshop sessions spanning K-12 curriculum and programming.

February 6 Faculty Meeting

- Given the relevance and high incidence of socio-emotional / mental health concerns with students AND their impact on student engagement & achievement, the focus of the 2/6 faculty meeting was professional development specific to this topic. Four different sessions were available to select from as follows:
- [Fostering Resilience in a Trauma Sensitive Classroom](#)
Childhood stress and trauma have a profound effect on learning and teaching. Based on Kristin Souers and Pete Hall's, [Fostering Resilient Learners: Strategies for Creating a Trauma-Sensitive Classroom](#), participants will:
 - Develop a common understanding about what trauma is,
 - Explore its impact on student learning, motivation, and success, and
 - Consider alternate approaches and strategies to working with students who engage in disruptive and / or destructive behavior

[Breaking the Power Struggle with Students](#)

When students experience stress, feelings are activated that drive their behaviors. These behaviors may present any number of ways - insubordinate, defiant, disruptive, disengaged, etc. How we respond to the student's behaviors can either break or fuel the cycle.

Participants in this session will:

- Learn about the stages of a power struggle,
- Identify alternatives to engaging in the power struggle.

[Lost at School, Based on the Work of Ross Green](#)

"Understanding why a kid is challenging is the first and most important part of helping him."

During this session, participants will explore:

- Alternate ways of viewing student behaviors,
- Supports for students who demonstrate challenging behaviors.

[Knowing the Signs, Identifying High Risk Students](#)

"People who are at risk of hurting themselves or others often show signs and signals before an act of violence takes place." Participants in this session will explore the warning signs of aggressive/ violent behaviors and discuss action steps if a student shows signs of being at risk. Additionally, participants will examine the intersection of at risk behaviors, the Code of Conduct and DASA.

March 6 Faculty Meeting

The agenda for the HS Faculty meeting on 3/6 included the following:

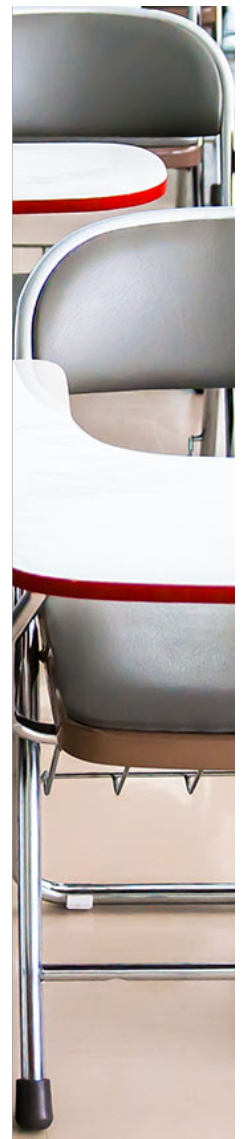

- NYS ELA and Math Testing Protocols and Proctoring Directions
- The Story in Student Attendance, Discipline, and Academic Data
- What options are available for Chromebook distribution at Grades 10-12?

Educon 2.9

- Seven staff members from both buildings (Saucke, Ashton, Radin-Snaith, Grove, R. Betrus, Powers, Walpole) gave up their weekend to attend this national "innovation conference" in Philadelphia. Additionally, Kris and Anneke presented a session titled, "Appealing to the Heart, Getting the Most Out of Teacher-Principal Relationships."
- The guiding principles behind Educon fit well with our district priorities:
 1. *Our schools must be inquiry-driven, thoughtful and empowering for all members.*
 2. *Our schools must be about co-creating — together with our students — the 21st Century Citizen.*
 3. *Technology must serve pedagogy, not the other way around.*
 4. *Technology must enable students to research, create, communicate, and collaborate.*
 5. *Learning can — and must — be networked.*
- This was a weekend well spent and the list of takeaways is long. Some of the highlights were:
 - Time spent visiting the Science Leadership Academy while school was in session
 - Endless professional conversation and idea sharing among Naples colleagues
 - Professional conversations with educators from all over the country
 - Ideas and resources for educating around transgender awareness
 - A structure for peer-to-peer visits
 - Ideas for LOTE instruction
 - Discussion of core values, student-centric schools, and sustainability of change

Learning Walks

- In January Marcus Whitman hosted Naples and Canandaigua teachers for two sets of learning walks, one for teachers in grades 3-5, and another for grades 6-8. Once again the response from participating teachers was overwhelmingly positive. While this rounds out our visits for those two levels, we are planning a set of UPK-2 visits this spring and we will be adding a visit to Midlakes as well.

DET 504 JUN2017 (rev 06/06/2016)

Projected Special Education Programs for Naples CSD 2017-2018

(In order of least to most restrictive)

Indirect / Direct Consultant Teacher – One of the least restrictive services to support students with program modifications and testing accommodations. A certified special education teacher may schedule a mix of time in the classroom and/or consulting with the general education teacher outside the class time. The student's needs and progress is monitored as he/she works towards more independence in their learning.

Integrated Co-Teach Class – A certified special education teacher and general education teacher co-instruct a class, complementing one another and targeting skills and content learning. Both share responsibility for program modifications and testing accommodations also.

Resource Room – Resource room is a special class setting taught by a certified special education teacher and limited to 5 special education classified students. General education students are not included in this setting. The focus of instruction is the students' individual IEP goals. This skill development may be taught in the context of the other core classes and complement pre-teaching and re-teaching of concepts covered in the general education classrooms. The students are prepared for a Regents Diploma.

15:1 Special Class – This is a certified special class taught by a special education certified teacher and limited to 15 special education classified students. General education students are not included in this setting. Students are instructed in the core subjects with curricular modifications, at grade level and in preparation for course credit and the related local or Regents exams. The students are prepared for a Regents Diploma.

12:1:1 Special Class – This is a certified special class taught by a special education certified teacher with the assistance of a program Aide or Teacher Assistant and is limited to 12 special education classified students. General education students are not included in this setting. Students are instructed in the core subjects with curricular modifications, at grade level and in preparation for course credit and the related local or Regents exams as they enter the secondary level. The students are prepared for a Regents Diploma.

8:1:1 – Social / Emotional Support Special Class - This is a special class taught by a certified special education teacher with the assistance of a program Aide or Teacher Assistant and is limited to 8 special education classified students. The identified students are working at or close to grade level and demonstrate a need for individualized social/emotional supports throughout the day, in order to successfully participate in their education/learning. General education students are not included in this setting. Students are instructed in the core subjects with curricular and social/emotional modifications and supports, at grade level and in preparation for course credit and the related local or Regents exams. The students are prepared for a Regents Diploma.

Projected Special Education Programs for Naples CSD 2017-2018

Adaptive Physical Education – This is a specially designed program of developmental activities, games, sports and rhythms suited to the interests, capacities and limitations of students with disabilities who may not safely or successfully engage in unrestricted participation in the regular education physical education class.

Dear Mr. Frahm,

Please accept this letter as an official request to create a P.L.A.N.T. Club and appoint Kyle Inda and Chris Kansco as Co-Advisors. This creation of this club is at their request, and they would volunteer their time with no stipend. Information regarding the club is attached for your review.

Please do not hesitate to contact me if you have any questions or concerns.

Sincerely,

Handwritten signature of Kristina Saucke in blue ink.

Proposal for Extra Curricular Club

I. **Organization will be known as:** P.L.A.N.T. (People Learning About Nature Together)

II. **The purpose of the organization is to:**
Promote environmental stewardship and awareness of healthy foods through participation in gardening, habitat construction, and additional outdoor activities.

III. **The organization will accomplish this by:**
Creating and utilizing a garden space and pollinator habitat in the elementary school courtyard. Students involved in the club will participate in gardening and potentially act as leaders in developing, maintaining, and encouraging use of the space.

IV. **The organization's advisor(s) will be:**
Christina Kansco and Kyle Inda

V. **Funds will be raised by:**
The club is not asking the district for any funds. Advisors, along with an interested group of staff members, have already procured donations for the initial raised beds. The club may participate in fundraising as needed under the leadership of Kris Kansco and Kyle Inda.

VI. **Funds will be used for:**
In order to purchase new seeds/plants/tools to expand and maintain the raised beds and courtyard habitat areas.

VII. **Stipend:** YES NO

Submitted by:
Chris Kansco and Kyle Inda **Date** 2/7/17

Memo
Naples Central School

Date: February 7, 2017
To: Naples Board of Education
From: Bill Murphy
School Counselor
Subject: New Course Recommendation

I am recommending that the Naples Board of Education approve Math 200: Intermediate Statistics as a course to be offered during the 2017/2018 school year. This would be a half year course, which would increase our elective math offerings to juniors and seniors. FLCC requires a pre-requisite of an 80 on the Algebra II Regents exam.

Course description:

This statistics course is designed for an experienced mathematics student. It is a one semester course covering descriptive and inferential statistics. Topics included are measures of center; measures of dispersion; hypothesis testing; estimations for population means, proportions, and variance; determination of sample size; uses of the Chi-square distribution; analysis of variance; linear correlation and linear regression; and statistical research. The course will emphasize computer or calculator use (graphing calculator, Minitab, Excel, or the like).

The course has many other additional benefits:

- Increase the rigor of senior year
- Provide course credits to our students—essentially free of charge
- Encourage more students to take a fourth/fifth year of math.
- Increase STEAM elective offerings

Sincerely,

Bill Murphy

Memo
Naples Central School

Date: February 7, 2017
To: Naples Board of Education
From: Bill Murphy
School Counselor
Subject: New Course Recommendation

I am recommending that the Naples Board of Education approve Italian Conversation and Culture I and Italian Conversation and Culture II. Each would be a one semester course offered in the fall and spring, respectively. These courses would be open to students in grades 9-12. There are no pre-requisites, and would be electives added at engaging more students in language, culture, and increasing global perspectives (not a replacement of the current language tracks).

Course descriptions:

Italian Conversation and Culture I (Fall)

This class is designed for students with no previous experience in the Italian language. Class work focuses on the communicative skills of listening comprehension, speaking, reading, and writing. Includes high frequency vocabulary, basic grammar constructions, common phrases, and cultural aspects of the Italian speaking world. Also stresses student participation in skills development.

Italian Conversation and Culture II (Spring)

This class is a continuation of Italian I. Continued focus placed on the communicative skills of learning Italian. Includes high frequency vocabulary, basic grammar constructions, common phrases and cultural aspects. Additional stress placed on student participation in skills development.

Sincerely,

Bill Murphy

Subject: New Course Recommendation

I am recommending that the Naples Board of Education approve Outdoor Adventures (Outdoors Tomorrow Foundation). This would be a full year course open to students in grades 9-12. There are no pre-requisites, and should be approved as a graduation level science course. This course will help increase student engagement and increase our STEAM elective offerings.

Course Description - "Students are taught life-long skills by using as an integrated curriculum of science, math, writing, critical thinking skills, and computer technology." The class will cover a wide variety of topics that fit into the realm of Outdoor Education. Students will actively engage in developing many important skills that they can use for the rest of their lives. There will be a strong theme throughout the course that will emphasize the study of Ecology and Wildlife Conservation.

Topics - The topics covered in this course include, but are not limited to,
Topics/Units

- Backpacking/Camping
- Wilderness Survival
- Compass and Map use Orientering
- GPS use and geocaching
- Edible Plant ID/Outdoor Cooking
- Wildlife Ecology and Identification
- Environmental Literature
- Boater Education
- Angler Education
- Fisheries and Wildlife Techniques
- Sportsmans Education (Hunter Ed & Bowhunter Ed)
- First Aid/CPR

Activities - Some of the activities that students will be involved in include, day hikes and extended backpacking/camping trips, mapping with compass, orienteering, GPS use, outdoor leisure sports that are fitting for the season, and wildlife and plant identification and Ecology.

Students will be expected to keep a field journal throughout the course to record their experiences. The class will also include 2 book discussions that have an Environmental or Conservation focus, ie. A Walk in the Woods.

As of this course proposal the offering is anticipated to be an elective offered to upper division science students first and then down from there as scheduling allows. The course is a 1 credit offering and runs through the entire school year.
