## **SUBJECT: REGULAR BOARD MEETINGS AND RULES (QUORUM AND PARLIAMENTARY PROCEDURE)**

All Board meetings will be open to the public except those portions that are executive sessions. The Board will make reasonable efforts to ensure that all meetings are held in an appropriate facility that can adequately accommodate all members of the public who wish to attend. The Superintendent and members of his or her staff will attend Board meetings at the Superintendent's discretion. The Board may also request that additional people attend.

Regular Board meetings will take place on the day and time designated by the Board at the Annual Organizational Meeting, except as modified. Any Board meeting may be adjourned to a future date and time if approved by a majority of the Board present. Further, if a meeting date falls on a legal holiday, interferes with other area meetings, or Board member attendance will be less than a quorum, the Board will select a date for a postponed meeting at the prior regular meeting, and it will direct the Clerk to notify all members. The District Clerk will provide the Board members written notice of the time of and agenda for each regular meeting before the meeting.

When the Board schedules a meeting on at least one week's notice, it will give or electronically transmit public notice of the time and place to the news media and conspicuously post the notice in one or more designated public locations at least seventy-two (72) hours before the meeting. Notice of other meetings will be given or electronically transmitted, to the extent practicable, to the media and conspicuously posted at one or more designated public locations at a reasonable time before the meeting. When the District has the ability to do so, it will conspicuously post the meeting notices on its website.

The Superintendent will prepare the meeting agenda during the week before the meeting and review it with the Board President. The agenda will then be distributed to Board members no later than the Friday before the regular meeting. The President or other Board members will submit requests to place matters on the agenda to the Superintendent. Whenever individuals or groups wish to bring a matter to the attention of the Board, they will submit a written request to the Superintendent.

District records available to the public under the Freedom of Information Law, as well as any proposed rule, regulation, policy or amendment scheduled to be discussed at a Board meeting will be made available upon request, to the extent practicable, before the meeting. Copies of these records may be made available for a reasonable fee. These records will be posted on the website to the extent practicable before the meeting.

If videoconferencing or online technology is used to conduct a meeting, the public notice for the meeting will inform the public, identify all the locations for the meeting, and state that the public has the right to attend the meeting at any of the locations. If a meeting is streamed live over the internet, the public notice will inform the public of the website's internet address. Voting may be done through videoconferencing, provided that members can be both seen and heard voting and participating from remote locations.
