Those points considered were attendance, uniqueness/tradition, work load, and limitations. Other comments were presented from the audience on handicap seating, tradition, livestreaming.

Board President closed the Public Comment session and turned it over to Superintendent Swartz. Mr. Swartz thanked everyone and appreciated the passion and articulating their voice to share their thoughts to the board. Mr. Swartz shared that at present, the decision remains to hold the graduation in the auditorium. Mr. Swartz plans to sit down with Mrs. Green to share some of the feedback that has been heard tonight. Mr. Swartz continued to share a few things for clarification and thought process on using the auditorium for graduations: Return on investment, efficiency, safety, fiscal responsibility, historical locations for previous graduations, predictability (time/weather), feedback over the years (positive and negative), livestreaming, technology improvements, seating capacity. Mr. Swartz noted that there are a spectrum of opinions on this topic and certainly willing to go back to the committee to share the public comment feedback. He again shared that he appreciated the feedback and the perspectives that were shared.

Mr. Hall thanked the group for their professionalism and overall community politeness.

**Points of Interest**

Board President Jacob Hall noted that he and Mr. Swartz were able to visit the Finger Lakes Tech Center last week. It was awesome and the culinary students put out an amazing meal. The 2025-2026 top 5 picks are the electrical trades, cosmetology, emergency services academy, health careers and animal sciences. A note of interest was that they are using AI in their CT Classrooms. Their instructors come in non-traditionally, they are from industries. Writing lesson plans, observation, evaluations are foreign and they are using AI to help do that successfully. It was interesting walking around and thinking about Portrait of a Graduate and where we are headed in supporting those programs and our students. It was a great day. Mr. Swartz agreed with Mr. Hall and added it was a great opportunity and to connect with the kids and seeing that they are enjoying what they are doing

**Superintendent Reports – Administrative Reports - Presentations**Special Education Department

Cassandra Lamphier and Cassandra Montemarano shared a power point on the PPS Department. They shared on the staffing in the department in the current year and looking at the 2025-2026 staffing needs. He is involved with school safety and participates in the school drills. Deputy Durgan also shared his role with threat assessments and investigations.

Student Representative

Abigail Hall provided an update with Spring Sports and noted there will be a Blood Drive on April 30<sup>th</sup> and that the Baseball Trip to Myrtle Beach is on spring break.

Phase III (nurse's office and corridor) are scheduled for the summer. Mr. Swartz thanked the students and staff on the NYS testing going on noted the statewide issues with technology with access to taking the exams. Feedback will be provided to the District Superintendent later this week with the challenges encountered. **Deleted: 1, Transferred: 0, Weeded: 201**

Date: April 8, 2025

To: Mr. Kevin Swartz, Superintendent

From: Nicole Green  
Jr/Sr High School Principal

Subject: Annual High School Biology Field Trip

---

For over 18 years, Jon Betrus has taken a group of students to the Adirondacks to reinforce and accentuate their classroom learning. This year, Mr. Betrus would like to once again take students on this trip. There is no cost to students and transportation costs will be covered by the High School Field Trip budget. I have attached a trip itinerary, and am recommending that the Naples Board of Education approve the High School Biology trip to the Adirondacks from Friday, June 13, 2025 - Sunday, June 15, 2025.

Sincerely,

A handwritten signature in cursive script that reads 'Nicole Green'.

Nicole Green  
Jr/Sr High School Principal
