

BOARD MEETING: Regular
DATE: Wednesday, March 21, 2018
TIME: 6:30 p.m.
PLACE: Naples High School Cafeteria

I. Meeting Called to Order

II. Roll Call

III. Adopt the Agenda of the Regular Meeting of March 21, 2018 (Board Action)

IV. Executive Session (Board Action)

V. Pledge of Allegiance

VI. Public Comments: The Board of Education invites you, the residents of our school community, to feel comfortable in sharing matters of interest or concern that you might have with us. The Board President will be happy to recognize those of you who wish to speak. We would ask that you come forward and please identify yourself before presenting your thoughts.

Those items brought to the attention of the Board during this time may be taken under consideration for future response or action. (*Individual comments will be limited to three minutes.*)

As a matter of courtesy, we ask that issues related to specific School District personnel or students be brought to the attention of the Superintendent of Schools privately. Thank you for this consideration.

Board Response: The Board of Education is committed to keeping communication open and transparent. The Board of Education President will be working with the Board and the Superintendent to make every effort to respond to public comments directed to the Board of Education at previous meetings, during the next scheduled meeting.

VII. Points of Interest

VIII. Superintendent Recognitions & Updates

- Capital Project Update
- Budget Update
- Report on Athletics/Extra-Curriculars

IX. Board Reports

- Budget Committee

X. Administrative Reports

- Elementary Principal
- Secondary Principal
- Director of Pupil Personnel Services
- Student Representative

XI. Minutes (Board Action)

- Regular Meeting of March 7, 2018

XII. Business (Board Action)

- Discards

XIII. Personnel (Board Action)

- Unpaid Leaves

XIV. Consent Agenda Items (Board Action)

- CSE, CPSE & 504 Committee Recommendations
- Substitute
 - Cleaner
 - Typist

XV. Adjournment (Board Action)

Regular Meeting

March 21, 2018

Minutes of a Regular Meeting of the Board of Education of Naples Central School held on Wednesday, March 21, 2018 at 6:32 p.m. in the Naples High School Cafeteria.

Members Present: Robert Brautigam Kelley Louthan
 Joseph Callaghan Gail Musnicki
 Carter Chapman Hayden Myers
 Jacob Hall

Members Absent: Brent Gerstner Thomas Hawks
 Maura Sullivan

Also Present: Matthew Frahm, Mitchell Ball, Kristina A. Saucke, E. Bridget Ashton, Katherine Piedici and Heather Clark.

Guests: Shirley Riffle and Margo Ulmer

A quorum being present, the meeting was called to order at 6:32 p.m. by Board President Jacob Hall.

Motion: **Gail Musnicki**
2nd: **Kelley Louthan**

Resolved, that the Board of Education approves the agenda of the Regular Meeting of March 21, 2018 as presented.

Voting Yes: 6 Motion Carried
Voting No: 0

Motion: **Kelley Louthan**
2nd: **Robert Brautigam**

Resolved, that the Board of Education approves calling an executive session at 6:33 p.m. for the purpose of discussing the employment history of a particular person or persons.

Voting Yes: 6 Motion Carried
Voting No: 0

Time out of Executive Session: 6:51 p.m.

Public Comments

None

Board Response

None

Points of Interest

Board of Education Member Kelley Louthan complimented the music department for their concert, noted that there would be an annual art show in Cheshire on March 24th, and that there would be a "March for Our Lives" at Finger Lakes Community College on March 24th.

Superintendent Matthew Frahm shared a thank you card to the Board of Education from Operation Santa, thanked Instruction Technology Coordinator Anneke Radin-Snaith for setting up technology for the Board of Education noting that it was the first time the Board would be

using digital devices at meetings, and thanked the Board of Education for their presence and participation throughout the district.

Board of Education President Jacob Hall spoke about an experience that he and Board of Education Member Thomas Hawks had at a recent regional conference day. Mr. Hall shared some reflections.

Superintendent Recognitions & Updates

Architects Vic Tomaselli and Kurt Vater from SEI Design Group, Construction Manager Todd LaBarr from Watchdog Building Partners, and Assistant Superintendent for Business Mitchell Ball presented a capital project update.

Mr. Ball presented a budget update.

Mr. Frahm gave an update on a potential clay target team and cross country team. A period of question and comments by the Board of Education followed.

Board Reports

Board of Education and Budget Committee Member Gail Musnicki noted that Mr. Ball had covered all aspects of the committee meeting during his presentation.

Administrative Reports

Student Representative Hayden Myers spoke briefly about interscholastic sports, extracurricular activities, student academics, student activities; and student clubs.

Elementary School Principal Kristina Saucke outlined items that appeared in the monthly Board of Education Report.

Director of Pupil Personnel Services Katie Piedici outlined items that appeared in the monthly Board of Education Report.

Motion: Kelley Louthan

2nd: Gail Musnicki

Resolved, that the Board of Education approves the minutes of the following meeting(s):

- Regular Meeting of March 7, 2018

Voting Yes: 6 Motion Carried

Voting No: 0

Motion: Carter Chapman

2nd: Kelley Louthan

Resolved, that upon the recommendation of the Superintendent, the Naples Central School District Board of Education approves the following Business resolutions as presented:

- Resolved, that approval be given for the following Maintenance Department discards to be declared surplus property and approval given to discard as per Policy #5250:
 - 14 Seon Camera Systems
 - Ice Machine
 - Various Damaged Desks
 - Obsolete Doors
 - Damaged File Cabinets
 - Damaged Chairs
 - Quonset Hut

Voting Yes: 6 Motion Carried

Voting No: 0

Motion: Carter Chapman

2nd: Gail Musnicki

Resolved, that upon the recommendation of the Superintendent, the Naples Central School District Board of Education approves the following personnel item as presented:

- Resolved, that the Board of Education approves the following requests for unpaid leave:
 - Barbara Hawks, Teacher Assistant: A maximum of five (5) days on or around the first week of December, 2018.
 - William Clark, School Bus Driver: Effective April 10, 2018 through May 2, 2018.

Voting Yes: 6

Motion Carried

Voting No: 0

Motion: Joseph Callaghan

2nd: Gail Musnicki

Resolved, that the Board of Education, upon the recommendation of Superintendent Matthew Frahm, approves the Consent Agenda Items as presented:

- a. Resolved, that the Board of Education approves committee recommendations from the following meetings:
 - Committee on Special Education actions of 02/27/18; 03/05/18; 03/07/18 and 03/14/18.
 - Committee on Preschool Special Education actions of 02/27/18, and 03/05/18.
 - Section 504 Committee actions of 02/28/18; and 03/05/18.

- b. Resolved, that the Board of Education hereby approves the following Substitute Appointments, pending a successful background clearance report provided to the school as a result of the fingerprinting process:

<u>Name</u>	<u>Position</u>	<u>Address</u>
Karen Hamilton	Cleaner	4328 State Route 21, Canandaigua, NY 14424
Patricia Habben	Typist	5481 Seneca Point Road, Canandaigua, NY 14424

Voting Yes: 5

Motion Carried

Voting No: 0

Abstained: 1 Kelley Louthan

Motion: Robert Brautigam

2nd: Carter Chapman

There being no further business, the Regular Meeting of March 21, 2018 is hereby adjourned at 8:32 p.m.

Voting Yes: 6

Motion Carried

Voting No: 0

Dated this 21st day of March, 2018

Mitchell J. Ball, District Clerk

2018-2019 School Budget Update

March 21, 2018

Naples Central School District

Mission Statement

The Naples Central School District challenges and supports all students to develop their diverse talents and abilities in a safe environment with rigorous opportunities. Students will graduate with the skills and confidence needed to excel in their chosen pursuits.

2018-2019 School Budget Update

- Budget Process
- State Budget & Aid Update
- Final Tax Cap Submission
- Major Budget Categories
- Reserves & Debt Service Use
- Estimated Expenditure Budget
- Anticipated Propositions
- BOE & Library Elections
- Next Steps

Budget Process

- Began in December
- Building and Department Level Budgets are complete
- Recommended programmatic changes have been accounted for at this time

State Aid – Current Status

Anticipated State Budget
adoption by April 1st.^{*}

Final NCSD budget
allocations will be made at
that point.^{**}

* Recall that the Governor's Proposal includes a 0.2% increase in Foundation Aid funding with an overall increase in 1.59%.

** State Aid is approximately 38% of annual revenue at NCSD.

Property Tax Levy Limit

- School tax represents the largest support (55%) of the District's budget

- Our wealth ratio impacts this reliance on property taxes

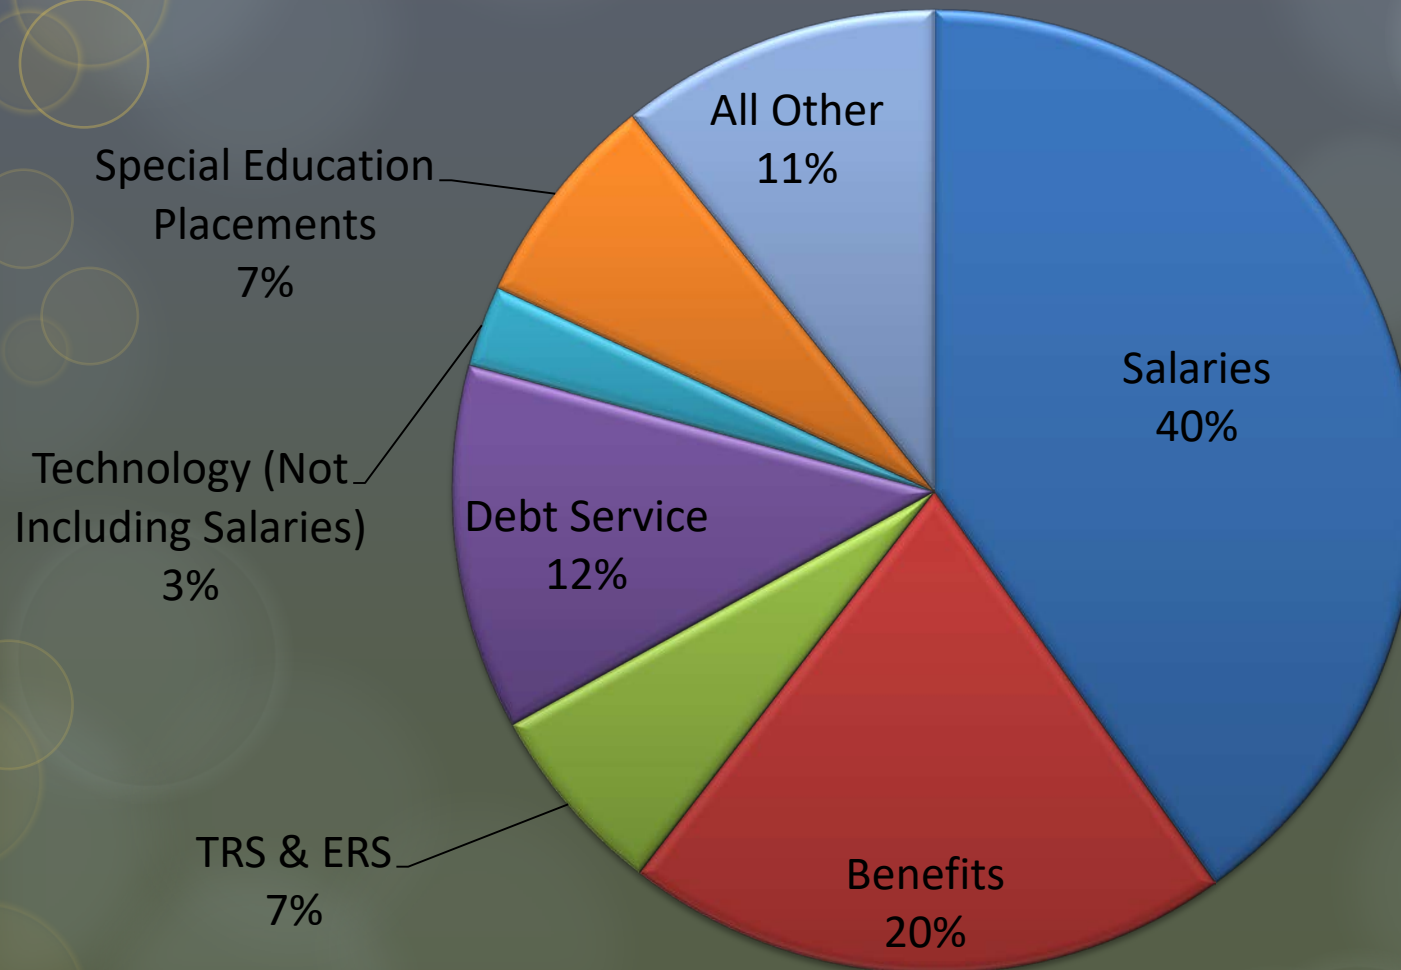

- Capped based on a complex formula that is tied to volatile variables

Property Tax Levy Limit Cont.

- Is not a 2% tax cap
- The District's limit for 18/19 is *estimated to be* 3.21%
- Estimated total increase allowed by the tax levy limit = \$352,839
- A 1% increase in the tax levy raises approximately \$109,947
- ESTIMATED: \$11,347,578

Major Budget Categories

Notes:

¹Personnel costs account for approximately 70% of the budget.

² "All Other" includes heating, electric, books, supplies, contractual agreements, uniforms, etc.

Reserve & Fund Balance Use

Per BOE adopted Reserve and Fund Balance Use Plan:

- Overall reduction of reserves, fund balance, and debt service use of \$200,000.
- These are exhaustible funds that should not be used to balance a budget (if at all possible) long term.
- Plan is subject to change based on final expenditure proposal and final state budget allocations.

Estimated Expenditure Budget

- \$20,200,000 – \$20,300,000
- 1.54% - 1.91% increase
- Presently includes the addition of 1.0 FTE Special Education/Elementary Level Position (of the 1.54%-1.91% increase, approximately 0.5% is this position).
- Decisions regarding the following will need to be made:
 - Mental Health Supports/Family Support Center/Other
 - Additional Arts in Education Funding
 - Benchmarking Tools (High School & Elementary)
 - Clay Target Team
 - Cross Country Team
 - Other Instructional Software (Newsela/No Red Ink)

Anticipated Propositions

1. Expenditure Budget
2. Creation: Capital Reserve – General
3. Bus Purchase/Use of Capital Reserve – Bus Purchase

School Board Member Election

Three seats are available to fill:

1. The expiring term of Joseph Callaghan (3 year term)
2. The expiring term of Gail Musnicki(3 year term)
3. The expiring term of Maura Sullivan(3 year term)
4. The expiring term of Thomas Hawks (1 year term)

Petitions Available March 16th, Due back to District
April 16th, 5:00 p.m.

Library Board of Trustees Election

One seat is available to fill:

1. The expiring term of Gail Rumsey (5 year term)

Next Steps

- Final budgetary refinement
- State Budget and Aid numbers, hopefully by April 1st
- Budget Committee recommendations to follow
- Final BOE budget review and anticipated approval on April 18th

The Naples Central School District challenges and supports all students to develop their diverse talents and abilities in a safe environment with rigorous opportunities. Students will graduate with the skills and confidence needed to excel in their chosen pursuits.

Questions/Comments?

Naples Elementary School Board of Education Updates ~ March 2018

Learning Walks and Regional School Visitations

Regional School Visitations continue and Naples Elementary had the pleasure of hosting visitors from other schools on January 10th. Areas that the Elementary highlighted included:

- Learner centered models of instruction including technology integration with 1:1 devices, blended learning and station rotation
- STEAM Room/Tech Lab
- Reading Recovery/LLI
- Flexible Seating
- Co-teaching
- "Forest Fridays" - Outdoor Learning Education Model

On Thursday, March 15th, our 3rd grade team is traveling to William CSD for the day. On that morning, I will have the pleasure of attending a RIC (Regional Instructional Council) meeting where Brittany Ritz, Abby Castle and Seth Almekinder will present on "Innovative Instructional Practices at the Elementary Level". On March 29th, Naples will host Learning Walks for Art Teachers in our region.

Instructional Coaching Update:

Curriculum Mapping

- Teachers in grades UPK-5 have met for one half day (or more) to continue work on updating Math curriculum maps, as well as completing ELA maps. Common assessments have been chosen or developed in ELA.
- Mrs. Grove met separately with ELA and Math teachers in grades 6, 7, and 8 after school to adjust maps. Grade levels are planning to get together again to make necessary changes or add to their existing maps.

Coaching

- Mrs. Grove is working with new hires from last year and this year in both the Elementary and Jr./Sr. High School. This includes classroom visits, attending mentor meetings and 1:1 meetings to share resources.
- Support continues for all teachers in the transition to new Science standards as well as new programs such as Guided Reading, Daily 5 Reading, Daily 3 Math, Discovery Education tech-books, and Schoology.
- Mrs. Grove will attend a professional development opportunity next week on updates to the Next Generation ELA and Math Standards and bring the information back to our staff.

- Mrs. Grove continues to provide ongoing training to our paraprofessionals regarding the implementation of various academic interventions
- Mrs. Grove also ordered and organized additional books (housed in our Book Room) for guided reading groups at Fountas and Pinnell reading levels A-V

Data Meetings

- We had another round of data meetings at the end of February. Mrs. Grove creates the schedule for these meeting, facilitates the process on the two days, and assists teachers in inputting data into our shared grade level documents.

"Increasing STEAM Opportunities and Student Engagement":

Mrs. Wordingham continues to work with teachers in grades 4-6 to offer additional STEAM activities for students not enrolled in chorus (which currently has 82 students signed up!). This is a once a week opportunity for 45 minutes. Our staff has truly embraced "the Arts" in STEAM, and this is another example of making sure

all students have enrichment opportunities. Students are allowed to sign up on a google doc for what activity interests them. The teachers plan and run the group activities. Here is an example of what was offered in February:

<p><u>Coding</u> <u>Mr. Liebentritt</u></p> <p>Practice Coding. BRING YOUR IPAD.</p>	<p><u>Rubik Cube Solving</u> <u>Mr. Betrus</u></p> <p>Bring your Rubik Cube and work on solving it</p>	<p><u>Build A Bridge</u> <u>Mr. O'Rourke</u></p> <p>Warm up with an activity to test the stability of different structures. The students will then design structures that will span a given distance...They will then construct the structures using straws and tape and test the ability to hold weight... <u>This session is for 2 Weeks.</u></p>	<p><u>Friendship Beads</u> <u>Mr. Brown</u></p> <p>Learn about Friendship Beads along with looking at birthstone colors and what they mean. The beads/safety pins are to share and trade with friends.</p>
---	--	--	--

<u>Marble Run</u> Mrs. Wordingham Build a marble run with paper tubes and tape	<u>100 Days of School</u> <u>Miss Brennan</u> What can you make with 100 random items?	<u>Construct a Roller Coaster Model</u> <u>Mrs. Arsenault</u> Do you love roller coasters? You will have specific supplies and must design and construct a roller coaster model. You must work together and complete the challenge within a time limit.	<u>Mindful Hike</u> Mr. Almekinder Students must arrive to class prepared to be outside for 45 minutes. Dress for the weather. Boots, hats, winter jacket, and gloves/mittens are required. Students not deemed appropriately dressed will be sent to study hall.
--	--	---	---

Our Safety Patrol is in the process of reviewing our District Code of Conduct to make what we are calling a "kid friendly" version of the document. This is a truly thoughtful group of students, and we had a very insightful conversation around student rights and responsibilities. Carrie Grove and I will continue this work with the group, and the document has also been a topic for our Elementary Shared Decision Making Team. This group of staff and community members also feels it is important to create a version that highlights the information using language our Elementary students might more easily understand. Both of these groups have a strong desire to serve their school community and help keep our building a safe environment for learning. I truly appreciate their commitment to the work. ☺

A huge thank you to Mrs. Lester and our volunteers from our PTP (Parent Teacher Partnership) ! This group continues to amaze me with their dedication in providing great opportunities for our students through kind (and entertaining!) fundraising. The PTP organized a Valentine's Day fundraiser that included the sale and delivery of cupcakes to students from their parents or other family members. The group has also organized a student fun night on Friday March 23rd (flyer attached). And if you haven't already heard...Mr. Frahm is currently in the lead in our "Kiss the Pig" contest. Students and staff can put their spare change in jars in the office to vote for Mr. Frahm, Ms. Saucke or Mrs. Clark. Whoever has the most money in the end will kiss an adorable pig at our Music in Our Schools school assembly and evening concert! ☺

We celebrated "Read Across America" Day from 1:00-1:30 on Friday, March 9th. (Typically this is on Dr. Seuss's birthday, but that snow day postponed our plans!) As a school we will all went out into the hallways from 1:00-1:30 to read. Students were encouraged to bring in pillows, blankets, PJs...whatever makes them feel comfortable when reading. They were able to pick out what they love to read...so it may have been a favorite book, magazine, comic book, etc. Our staff also brought their own favorite reading material and joined our students during this fun opportunity ~ it was a great way to model the joy of reading. ☺

March is Music in Our Schools Month! We have started our theme for this year, "Music in Movies". Here are the musical happenings this month:

1. The musical, "James and the Giant Peach" kicked off the month with a quick teaser for the Elementary Students. If you didn't get to see it, you missed a fantastic show!
2. Mrs. Austin is playing some songs in the morning on the PA that have been featured in various movies. Students and staff are encouraged to let he know their favorites and she will include them.
3. Mrs. Austin has hidden the image above around the building for students to find and collect. There is going to be a prize this year for the class that finds the most K-3 and 4-6, at the end of the month.
4. There is an optional door decorating contest during the last week of March. Teachers who want to participate will decorate their classroom door with a "Music in Movies" theme...

5. The Concert featuring all performing groups is on March 20th at 1:00pm and 6:30pm in the Elementary Gym.
6. There is an Art Show happening at the Cheshire Union and we have some small groups and solos of kids performing on March 23rd from 5:00-6:30pm. Stop by and see our artists and musicians featured!
7. Unfortunately due to the snow day, we will have to reschedule the concert with the Yellow Jackets from the University of Rochester. Margaret Flanigan has organized for this awesome a cappella group, to come and work with our secondary chorus and perform for our Elementary school. We will keep you posted when we have a date for their return!

This year grades 6, 7, and 8 will take both ELA and Math assessments on the computer. Grade 6 has done CBT (computer based testing) for their field testing over the last 2 years. By being willing to do their state assessments in this format this year, it will give us an excellent opportunity to learn the process and prepare for when the state mandates CBT for all grade levels on 2019-2020. Right now the challenge is that we have to share iPad keyboards with the High School. Therefore the following dates have been chosen from the "testing windows" to allow for the sharing of resources. Please note that both Paper and Computer Based Testing for ELA and Math are only 2 days in length this year. ☺

- ELA Grades 7 & 8 Computer Based Testing: 4/10-4/11 (Tuesday, Wednesday)
- ELA Grades 3-5 Paper Based Testing: 4/11-4/12 (Wednesday, Thursday)
- ELA Grade 6 Computer Based Testing: 4/12-4/13 (Thursday, Friday)
- Math Grades 3-5 Paper Based Testing: 5/1-5/2 (Tuesday, Wednesday)
- Math Grade 6 Computer Based Testing: 5/1-5/2 (Tuesday, Wednesday)
- Math Grades 7 & 8 Computer Based Testing: 5/3-5/4 (Thursday, Friday)

Note: All 3-8 ELA and Math field testing will be administered in a Computer Based Testing format. We were notified that 6th grade is again assigned to field testing this year.

Mrs. Radin-Snaith and Mrs. Clark have done an outstanding job planning for the CBT Testing. We have already met with the teachers in Grades 6-8 to review information regarding the testing session and plan for any possible challenges. Next week Mrs. Ashton, Mrs. Piedici and I will hold a Grade 3-8 State Test Security and Proctoring Meeting. All teachers in Grades 3-8 need to attend, as well as support staff that proctor exams. Mrs. Piedici has been working with our Special Programs Departments on a plan for students who require testing accommodations.

BOARD OF EDUCATION

— NAPLES HIGH SCHOOL REPORT ~ MARCH 2018 —

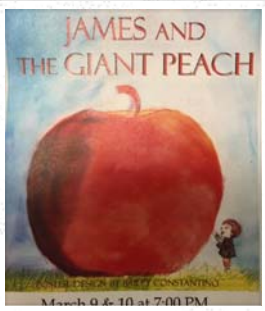

NAPLES HS STUDENT & STAFF CELEBRATIONS: JAMES & THE GIANT PEACH

- A hearty shout out to the cast and crew of *James and the Giant Peach*, who rocked out the show March 9 - 11! This production encapsulates the idea of an asset building experience for our students! Research about the 40 Developmental Assets has indicated that students who possess and experience internal and external assets have greatest likelihood of success in life. Kudos to Julie Austin and Jennifer Gundy for their passion, commitment and *invaluable contribution* to the lives of our students and to the Naples community at large.

NAPLES HS STUDENT & STAFF CELEBRATIONS - ACADEMIC

- **Kudos to NAPLES CSD FACULTY, students and staff for being acknowledged with Midlakes as high schools tied for the highest graduation rates in the county with a 95 percent graduation rate**, compared to 91 and 87 percent, respectively, in 2016.
- Congratulations to Stephan Welch for his participation in the SkillsUSA Area 1 Leadership and Skills Competition. The event will be held at Alfred State College on their Wellsville and Alfred Campus, Tuesday March 6th.
- SHOUT OUT to three Ontario County teens, including Elizabeth Maczynski, who got to meet Lt. Gov. Kathy Hochul at the annual youth leadership forum in Albany. As representatives on the Ontario County Youth Bureau advisory board, Elizabeth and the others had the opportunity to speak with Senators about the opioid crisis and concerns surrounding driving under the influence of marijuana.
- WOW! Stephen Shay, Brett Schutz, Evan Chapman, Ethan Gentner, Jon Sterlacci and Chays Todd did an incredible job presenting information to the community about the proposal for a Clay Shoot Club at NCSD.
- A shout out to Matt Frahm, who traveled to Kenya over break with the Bill Cook Foundation to work with schools / students. WOW! This organization just secured a classroom set of computers for these learners in the Mama Africa Secondary School in rural Kenya.
- Many thanks to all of our teachers for their willingness to host the Naples Board of Education members in classrooms on 2/8! BoE feedback was all POSITIVE and represents nothing less a celebration of the incredible learning and TEACHING that happens in our building. Thank you for all that you do to support students each and every day at Naples CSD...
- Shout out to Jessie Schwartz, Rosemary Byington, Sarah Giovine, Lexa Leach, Jessie Norton, Tiffany Brugge, and Stella Frazer for their contributions to the March issue of the Neapolitan Record. See link below.
- KUDOS to the GUEST CONTRIBUTORS published in the February issue of the Neapolitan Record: Lexa Leach, Jessie Schwartz, Colton Sprague, and Skye Chaapel.
- A HUGE shout out to Adam Robison and his STATS class for graciously embedding the Student Voice Survey project into their instructional programming. Students embraced this authentic learning task and produced a high caliber of student performance, proficiency level and engagement, and product/ output. Great work!

- Kudos to Fennel Makepeace, Claire Radak and Alicia Quarterman for presenting the Student Voice Survey data to HS Faculty during the February 5 Faculty Meeting.
- Kudos to Mac Kastner, Alex Baader and Fennel Makepeace for presenting the Student Voice Survey data to the Board of Education during the January 31 Board meeting!
- A shout out to the MS students who participated in the Spelling Bee on 2/16:

NAPLES STUDENTS AND STAFF CELEBRATIONS - MUSIC AND FINE ARTS

MUSIC

- Congratulations to all of the students who participated in All County! Mr. Bariteau boasts that we had record breaking student participation this year, as evidenced by the student roster below:

Junior High Symphony Orchestra

Kate Mark- Clarinet
 Jacob Schwartz- Horn in F
 Kasey Hall - Trombone
 Max Pridmore - Percussion
 Tim Avila - Percussion

Junior High Choir

Jamielyn Dallas - Soprano
 Emma D'Aurizio - Soprano
 Lilly Godfrey - Alto
 Rhiannon Mansfield - Alto
 Random Punnett - Tenor
 Charlie Grove - Bass
 Skhyllar Smith - Bass
 Damian Moore - Bass

Junior High Jazz Band

Liam Almekinder - Baritone Saxophone
 Jesse Gordon - Trumpet
 Grace Uhlen - Trumpet
 Drew Riegelsperger - Trombone

Senior High Vocal Jazz

MaCauley Kastner - Electric Bass Guitar
 Carter Waldeis - Drum Set

Senior High Concert Band

Jessica Schwartz - Piccolo
 Ethan Friend - Trumpet
 Felicity Hutchinson - Trumpet

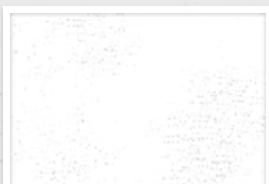

NAPLES STUDENTS AND STAFF CELEBRATIONS - ATHLETICS

ATHLETICS

- Congratulations to Whalen Jensen for his participation in STATES this weekend! Whalen finished 33rd in the state with a time of 53.35 in the 100 fly.
- Kudos to our GV Basketball team! Our girls played hard this season!
- Naples may not have triumphed in Sectional semi finals, but our Varsity Boys worked hard to get to there. Hold your heads high boys... WE ARE PROUD of YOU! [#NaplesCSD](#) - at [Bloomfield High School](#)
- Congrats to Whalen, Aren & Carter in the 200 IM! Jensen brothers take 1st and 2nd in the event.
- Congratulations to the following students for their invitation and participation in SKI SECTIONALS on Tuesday February 13th, and February 14th:
 - Luke Didion
 - Dylan McMullen
 - Sam Rocha
 - Liam Almekinder
 - Jake Schwartz
 - Alicia Quarterman
 - Anna Quarterman
 - Elizabeth Maczynski
 - Mackenzie Louthan-Green
- A shout out to Courtney Gursslin for being identified and honored as SWIM COACH of the YEAR! Way to go!
- A shout out to Michelle Walpole for being identified and honored as BOWLING COACH of the YEAR! Way to go!
- Congratulations Green Wave! The SWIM team finished 2nd in Leagues.
- Kudos to Whalen Jensen for being recognized as Senior of the Meet!

- Congratulations to our bowling team on earning all league recognition! Kudos to Travis, Gianna, Maddison, Abby, Sophie, and Naomi!
- A shout out to our Varsity Boy SENIORS who were recognized on Tuesday, 2/6 during Senior night in the valley! Congratulations to Evan, Ben, and Tucker!

FROM THE COUNSELING DEPARTMENT

Notes:

- 1) Scheduling meetings are ongoing with 8th graders. If parents have not called at this juncture to set-up a group appointment, students will meet individually with Mrs. Kastner to develop their plan. A copy of this tentative plan will then be sent home for review. Mrs. Kastner will also meet with 7th graders in a classroom setting to discuss the scheduling options for 8th (minimal).
- 2) The Class of 2022-our current 8th graders-visited the Finger Lakes Technical and Career Center on January 26th, participating in 2 hands-on careers. Students reported enjoying the trip immensely. They were surveyed after and asked 'Did you learn more about what you may like or not like in a career?' and 100% reported yes.
- 4) Once 8th grade 4-year planning is complete, I will begin meeting with 9th graders, and then meet with 7th graders

to revise their schedules/plans. I have already received all teacher recommendations for classes that require them. In late spring, we will receive nominations for the 7th grade Math and Science Accelerated courses and parents of 6th graders will receive a letter surrounding scheduling for their soon-to-be 7th grader!

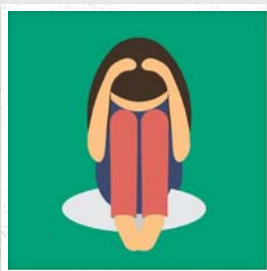

5)Mr. Murphy will be meeting with juniors for scheduling/life after high school meetings after break. He will also be meeting with 10th graders who have shown an interest in BOCES. The 7th Annual Healthcare Career Exploration Career Fair for interested 9-10th graders on 3/20.

Parents are welcome to call with any questions or concerns.

- Mr. Murphy can be reached at bmurphy@naplescscd.org/585-374-7928
- Mrs. Kastner can be reached at mkastner@naplescscd.org/585-374-7908.

Dates to Remember:

- 3/18: National College Fair at Rochester Riverside Convention Center open to families 1:00, www.nacacfairs.org
- Junior class field trip to the National College Fair on 3/19.
- 3/19: National College Fair in Rochester (field trip with Juniors)
- 3/20: Interested 9th and 10th graders to the Finger Lakes Allied Health Career Fair
- 3/21: SAT for juniors at NHS
- 4/25: Agriculture and Food Sciences Career Day Field Trip (open to HS)
- 5/10-12: Senior Trip to Washington D.C.
- 6/11: Senior Picnic
- 6/19: Senior/Parent Banquet
- 6/23: Graduation

WHY ZEBRAS DON'T HAVE ULCERS

1 in 3 adolescents have an Anxiety Disorder, and the number only appears to be increasing (National Institute of Mental Health website). Anxiety is often seen as a negative trait. However, anxiety was built into the human system to help humans survive situations such as encountering lions in the wild, dealing with other humans who threatened their

existence, and any other physical threat. The Fight-Flight-Freeze response is meant to send adrenaline and oxygen to limbs so that you can defend yourself and increase your chance of survival. The only problem is, we do not regularly interact with lions or dangerous wildlife and the stress response system was not intended to be long term.

Fact: humans are the only species on the planet that can create the stress response without there being an actual physical threat; we do it with our minds and thoughts. The problem becomes that we live in a world where worries and stress can be anywhere, and this system becomes overresponsive and actually damaging to both internal organs and the ability to function. Parts of the body that are not necessary for survival turn off. For example: if a student walks into a test thinking about how terrible they will do, and how their parents will be so upset at them, and they will never graduate, then they most likely will trigger that stress response, and the cognitive (learning) and memory parts of the brain actually shut down. Now imagine how often this happens to both children and adults. The positive?? One controls their thoughts, or can gain control through practice and being aware of when negative thoughts are happening.

So when you think about a zebra, why do they not have ulcers? The reason is that after they run for their lives, their brain does not continue to think about what would happen to their families if they died, or what will happen if they cannot find a meal later. They think about grass, and frolicking in the African savannah. Find your time to be at peace like a zebra. Do some deep breathing. Check out the app, "headspace," and take some time to slow down your brain so you can do more higher level thinking and functioning. Challenge your negative thoughts with evidence, ask yourself, "Is this fact or feeling," plan ahead when possible, go do something active, rationalize what you're thinking, and try to slow down if your brain is going a million miles per hour. Help yourself and your kids realize that you can get a handle of this with practice. Check out the book, [Why Zebras Don't Get Ulcers](#), by Robert M. Sapolsky to learn more about anxiety.

Feel free to call or schedule an appointment if you have more questions or are curious about anxiety!

FROM THE HEALTH OFFICE

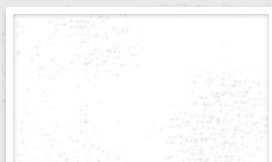

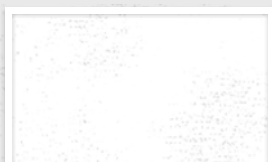

Reminders

- If your child is absent due to an illness, I would like to remind parents/guardians that the Center for Disease Control and Prevention recommends children stay home until they are symptom-free for 24 hours . This includes no fever without the use of fever-control medicines, free from vomiting, and free from diarrhea.
- Please encourage your children to wash their hands often, cover their coughs and sneezes, and refrain from sharing water bottles and food while at school. These simple steps can help prevent the spread of germs.

Here are a few reminders about medication at school:

- A student is not permitted to carry any medication on his/her person in school, or on the school bus, or keep any medication in his/her school locker(s). Exceptions may apply, however, for students diagnosed with asthma or other respiratory illnesses, diabetes, or allergies who have a note from their health care provider to self-carry medication.
- Health care provider and parent permission is needed for ALL prescription and over the counter medications (including Ibuprofen, Tylenol) used at school or school-sponsored activities.
- Parents/guardians are responsible for having medications delivered directly to the school in a properly labeled original container by an adult. Students are not allowed to transport medication from home to school.

If you have any questions or concerns please contact Mrs.Finnan at 374-7914 or lfinnan2@naplescscd.org.

“THE DIARY OF ANNE FRANK” GEVA FIELD TRIP FOR 8TH GRADERS

“In spite of everything I still believe that people are really good at heart.” This sentiment, written by Anne Frank in her diary while she and her Jewish family were hiding from the Nazis during World War II, still resonates so deeply today. On Thursday, March 15, 2018, the eighth-grade class at NCS will have the great pleasure of hearing these words spoken aloud during a live performance of “The Diary of Anne Frank” at Geva Theater. This opportunity goes hand-in-hand with the performance and analysis of the play in class, as well as the historical study of World War II in Social Studies class later in the year. Students will also have the opportunity after the performance to meet with Holocaust survivors who currently live in the Rochester area.

MS LAUNCH: DASA THEMED GRADE 7 AND GRADE 8 “LUNCH BUNCH”

DASA Lunch Bunch groups have launched at Naples High School! Students in grades 7 and 8 have the opportunity to work with Mrs. Nicholson (Grade 7) or Mrs. Clark (Grade 8) in small groups to explore DASA and related themes.

The mission and purpose of the DASA Lunch Bunch is to provide a time and place for personal and group growth with the intent of spreading positive, peer relations in middle school and beyond. Each lesson is scripted from the Olweus Bullying Prevention Program and then hand crafted to match the tenure of each student group.

Chosen themes include but are not limited to; Group Identity and Labels, Getting to Know Each Other, whether or not “joking” is Funny or Hurtful, Masquerade and the different versions of self projected to others, Empathy and Social Issues, Friendship, Peer Pressure, Trust, and knowing one’s limits. The Long Term Goals for the remainder of the 17-18

school year include; Lunch Table Presenters (Safe Harbour, Substance Abuse Prevention, Why I Love Naples...), March Mix it Up Day in the cafeteria during A Lunch, April-June RISE & DASA video for 7th grade orientation. The entire school year for 2018-2019 will be planned during the 2018 summer.

Full Launch: DASA Lunch Bunches for Naples MS Students

A few weeks ago the seventh and eighth grade students began the DASA Lunch Bunch program. The program is designed to reveal and immerse students in a collaborative team culture. So far, students have discussed and engaged in activities that helped them know how and when to be upstanders. In addition, students have reflected upon their lunchtime learning with statements like; "Today I learned we are all more alike than we think," and "Tomorrow I will put myself in other people's shoes before I say something." Seventh grader Evan Waldeis stated, "Lunch bunch is better than actual lunch. It's fun and quite unlike the lunch room. I would do it everyday if optional. I would only change it by having a game or something to talk about a experience we have had..." Overall, the student feedback and support has been a positive addition to Naples CSD.

ACADEMIC ALL STARS

Academic All-Stars - Clinched our division this week with a close win. 60-59 over Addison. Season we are 5-0 and we will play in the championship match for the second consecutive year. We won the Large School Championship last season with a record of 7-0. Hopefully we can repeat this season, Championships will be Monday March 26th.

OUTDOOR ADVENTURES

Outdoor Adventures at Naples High School
With Jon Betrus

What is Outdoor Adventures?

Outdoor Adventures is a hands on skills based course designed to teach students all about the Outdoors. In many schools around the country it is offered as a P.E. course. Students will gain life long skills from this course that can be applied to the Outdoors.

Topics Covered

- Camping/Outdoor Cooking
- Fishing
- Hiking/Backpacking
- Geocaching/Orienteering
- Sportsmans Education
- Survival Skills
- Boater Education
- First Aid and CPR
- Winter Activities/Snow Sports

Camping/Backpacking

Students have the opportunity to learn how to set up camps, how to pack a backpack and most importantly how to plan an overnight trip.

Outdoor Cooking

Students learn how to start a fire for cooking or survival skills. Each student researches their favorite recipe to try cooking over an open fire, in a dutch oven, in aluminum foil, or just on sticks.

Orienteering

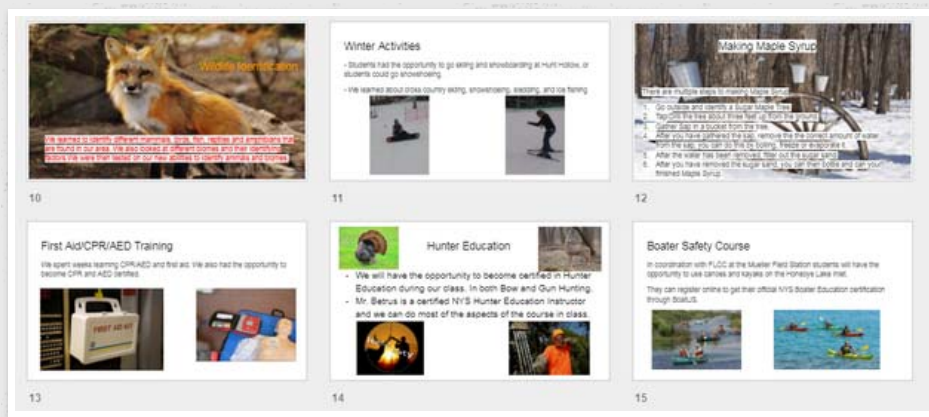

- An activity that involves navigating your way through various checkpoints, you're only given a topographical map and a compass.
- We learned how to use a compass and orient a map.

Geocaching

Geocaching is the recreational activity of using an electronic device or means of GPS coordinates. The Outdoor Adventures class took a course of geocaching adventures around the state and by the way, we just made our own geocaches for them around school.

Projects - The class designed an orienteering challenge and also placed a geocache. They made a list of directions and collaborated with 1st, 4th and 8th grade class, the students were our authentic assessment. They had a blast doing it.

Community Service Opportunity - In October 2017, the Outdoor Adventures class teamed up with National Honor Society members to help a local community member with a bridge repair and general trail cleanup.

FCS, HEALTH AND NUTRITION

- Recently the FLCC nutrition students attended FLCC for a tour of the Registered Dietician program as well as a discussion with two Professors. We also attended Wegmans where we met with the Pharmacist and talked about food as medicine. The students and I had a wonderful time and learned about how the food industry is a major component of consumer nutrition.
- FLCC Nutrition & Economic students will be collaborating in the next month for a cook-off! Students will budget, fundraise and purchase healthy food choices from the Rochester Public Market. When the students return to the school with their purchases they will create a healthy, well-balanced meal for a panel of judges!
- FCS: Students are wrapping up their book projects which allowed voice and choice in the classroom. The student chose their book that pertained to leadership, family dynamics or nutrition. Students read inside and outside of class and then chose their project outlet. This could include diorama, essay, book review, kahoot, or a new creation of their choice. The culminating event was a "book fair" where students roamed the room and read their peers projects. While integrating technology into the discussion, students utilized Schoology to discuss book choices across three class periods.

Submitted by Aly Powers

SEVENTH GRADE PBL SCHEDULE

Here is our schedule for the next few months:

- Tuesday, 4/10: 6th-8th periods, PBL work time in Region groups
- Wednesday, 4/11: 6th-8th periods, PBL work time in Region groups
- Monday, 5/7: 6th-8th periods, PBL work time in Region groups
- Tuesday, 5/8: 6th-8th periods, Finalize Regional Booth Set-up for the event tomorrow
- Wednesday, 5/9 :12:15-2:00 Set-up
- Wednesday, 5/9: EVENT!!! Mark your calendars for the **International Food Festival and Silent Bowl Auction from 2:00-3:15 in the high school cafeteria.**

~Submitted by PBL Team

POWER OF YOU

The Power of You projects are in full swing! Students involved from NCS and MW are moving forward with their ideas to make the world a better place for them and/or the community. Members of a group determined to “unspin” the news have recently created a publication called *The Vigil* where they tackle hot button issues in an unbiased format. Check them out on Facebook! Another group of students that created a community service group called Because We Care have volunteered time at the Foodlink in Rushville, collected money to benefit a Whitman family in need, and volunteered time at the Naples Open Cupboard/Closet. Students interested in creating a clay target club at NCS held a community interest meeting and presented to the Board of Education about their ideas. We have so much more going on. Stay tuned to hear about a feminism documentary, anti-bullying education, and a competitive Physical Education class for high schoolers. #GenerationZProud!

~Submitted by Nicole Green

ROBOTICS

Let's see...we made two trips up to Edison Tech to use their practice field, getting valuable drive practice and perfecting our autonomous routines ahead of competition.

Kids have been busy watching games from this and last week's competition and formulating strategies in preparation for this week's competition.

The Finger Lakes Regional competition is this Thurs-Sat (free and open to the public Friday and Saturday), so we're stripping the practice robot for spare parts and packing up Tuesday, loading out Wednesday, and competing bright and early starting with Practice Day on Thursday.

~Submitted by Patrick Freivald

PROM AND NHS 2018

Senior Citizen Prom:

Rescheduled! The Senior Citizen Prom will now be this Friday, March 16th from 5-7 pm in the High School Cafe. Please call the High School Main Office to RSVP (374-7905).

National Honor Society Induction Ceremony:

On Thursday, April 19th at 7 pm, the National Honor Society will hosts its Induction Ceremony at 7 pm in the High School Auditorium. Selected students will be notified in the next two weeks about their status. We look forward to a new group of inductees.

Prom 2018: Hosted by the Junior Class (Class of 2019)

Save the date! This year's Prom will be on **Saturday, April 28th from 8-11 pm at The Parrish Hill Barn and Event Center** on Route 245. New venue this year! The theme is Gatsby, the 1920s. Tickets will go on sale Monday, April 16th in the High School Office as

well as during B lunch in the cafeteria. Barb Rathbun will be doing formal photos for students (separate fee). She will also be doing a candid photo booth again this year (fee covered by the Class of 2019). Lizzie Clearman will be catering finger foods as well as delicious desserts. We hope all sophomores, juniors, and seniors will join us for this fun event!

~Submitted by Colleen Betrus

TIMELINE FOR 2018 SELECTION OF NATIONAL HONOR SOCIETY INDUCTEES AND CEREMONY

- **Thurs., Feb. 8:** Guidance Office identifies NHS eligible students.
- **Feb. 13-15:** "Candidate Forms" are distributed to eligible students.
- **Week of 2/26-3/2:** Faculty and Staff comment forms are provided to staff.
- **Friday, Mar. 2:** "Candidate Forms" due to Mrs. Betrus **no later than 3:25 pm.**
- **By Wed., Mar. 7:** "Candidate Forms" and comment forms to Faculty Council to review (Faculty Council meets sometime between **week of March 12-16** to determine selections).
- **Week of Mar. 19:** Mrs. Betrus will announce selections/non-selections through a letter to each student (this gives us a few weeks to plan ceremony with spring break and gives selected students/families time to plan to attend)
- **Thurs., April 19:** EVENING ceremony for selected students

~Submitted by Colleen Betrus

TEAM SUGARBEE

On May 25, 2005 my nephew Joey was born. On June 10, 2005 he passed away. In that short amount of time he continues to leave a profound impact on my life which I pass on to Naples students each year. The Stroll for Strong Kids is an annual fundraiser for Golisano Children's Hospital in Rochester, NY. My team, Sugarbee, is named for my nephew and donates to the Neonatal Intensive Care Unit where Joey lived. We have strolled since 2008 and Naples CSD has truly adopted this cause as one close to its' heart. The Stroll for Strong Kids continues to nurture a self-directed and nurturing learning environment. By taking part in this event the world of school opens up to something much larger. The Stroll for Strong Kids shows the students, staff and community of Naples at their best. This event combines grade levels and status in a unique way. All students from all grade levels and walks of life come together for one altruistic goal and become a united Team. It is not just a school or a child standing alone. Upperclassmen illustrate extended connections and social relationships to school, staff, and each other for the younger students. When students feel this connection between community, school, and teachers it establishes strong relationships. Students who have

experienced tragedy see first hand that they are not alone-- and they see how my family has survived.

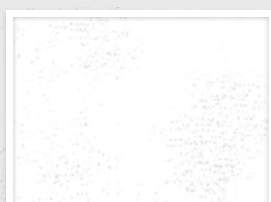

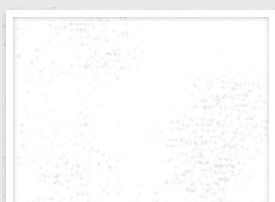

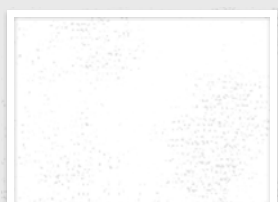

This year Joey would have turned 13 and already, students at NCS have joined to celebrate him, and to help countless others. **To register for this years Stroll see Mrs. Nicholson or go to www.givetokids.urmc.edu/stroll.** An NCS school bus will leave at 6:30 am on Saturday June 2 and students can walk and/or participate in the 5K Race. Hope to see you there!

~Submitted by Joelle Nicholson

NCS STUDENT RUNNING CLUB:

- In the spring of 2014, the Naples Central School District Wellness Committee started a student running club for young adults in Naples. Running is a fun activity that makes you feel good and is enjoyable to do alone or with friends! We live in a community that embraces running. There is a community group, Naples Running Group, that exists for adult runners. Each year many community members participate in the St. J's 5K (<https://www.stjs5k.org/>). Many NCS students run this event by training on their own.
- We would like to provide students with an opportunity to run through an organized, facilitated and chaperoned club. Club activities would involve chaperoned cross country runs in and around Naples two to three times a week, including short (maintenance runs) on two weekdays (2:35-3:20) and longer progressive runs potentially on Saturday mornings with the Naples Running Group. There will be NCS staff members on scheduled runs.
- For those students who are already athletes, it offers a great cross training opportunity. For those students who are not current athletes, it would introduce them to an individualized sport that has tremendous capacity to elevate health, fitness and self esteem in a highly enjoyable way. While challenging oneself, a student would still be part of a group activity through this club and connected to the school and community. Our main goal would be to get students ready to run a 5k with the option to run another 5k or even 10k race locally later in the year.
- The waiver is available online through the High School Extracurricular page (<http://www.naplescscsd.org/districtpage.cfm?pageid=535>). Any questions, please contact Colleen Betrus at 374-7925 or cbetrus@naplescscsd.org

"SAFE TEEN DATING" AND "DRUGS & ALCOHOL" PRESENTERS AT NAPLES HS ON 2/14 - FYI

WHEN

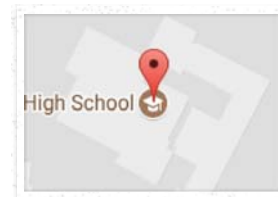

**WEDNESDAY, FEB. 14TH, 11AM-
12:15PM**

WHERE

**136 NORTH MAIN STREET
NAPLES, NY**

MORE INFORMATION

- Melissa Gilbert, from Safe Harbour, visited Naples High School on 2/14 during both lunch A and B to share information with students about healthy vs unhealthy relationships, toxic friendships, how to stay in safe relationships, and what to do if you have a friend in a unhealthy situation.
- Petrea Rae, from the Substance Abuse Prevention Coalition of Ontario County was also here on 2/14 during both lunches to share information with students including: an interactive demonstration on substance abuse and employability, drunk goggles & marijuana goggles, conversations with kids about the impact of being on substances while employed, and a "to go" informational slip.

BOARD OF EDUCATION VISIT DAY

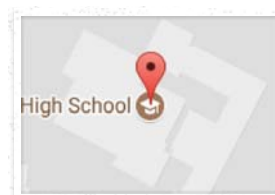

WHEN
THURSDAY, FEB. 8TH, 8-11AM

WHERE
136 NORTH MAIN STREET
NAPLES, NY

MORE INFORMATION

Six of our Board of Education members had the opportunity to spend the morning at Naples High School on Thursday, February 8 from 8:00 - 11:30. Nearly thirty teachers, spanning all content areas, welcomed Board members into their classrooms to experience "a typical day" at Naples High School.

Many thanks to the Naples Board of Education for their support and unwavering commitment to students, faculty and staff. We appreciate you!

[Get Directions](#)

#WHYIMATTER BOOK CLUB

- On Friday, February 2nd, the #whyimatter book club students and teachers met to discuss the three books related to the theme of why each person's voice matters. Earlier this year, teachers picked the books, *Salt to the Sea* by Ruth Sepetys, *Allegedly* by Tiffany D. Jackson, and *The Hate U Give* by Angie Thomas. Students volunteered to participate in the book club, and were able to choose one or more of the books to read.
- At the February gathering, the club had approximately fifteen students, who were joined by six teachers, involved in a gripping discussion around current social justice issues affecting our world today as well as historically. The group conversed about the fact everyone has a voice as well as the need to hear the voices of those marginalized throughout history or currently. Although, all three titles are works of fiction their ideas have very realistic aspects. The group is trying to plan another meeting for March. Hopefully, an overnight Reading Lock-in (more details to come).

~Submitted by Colleen Betrus

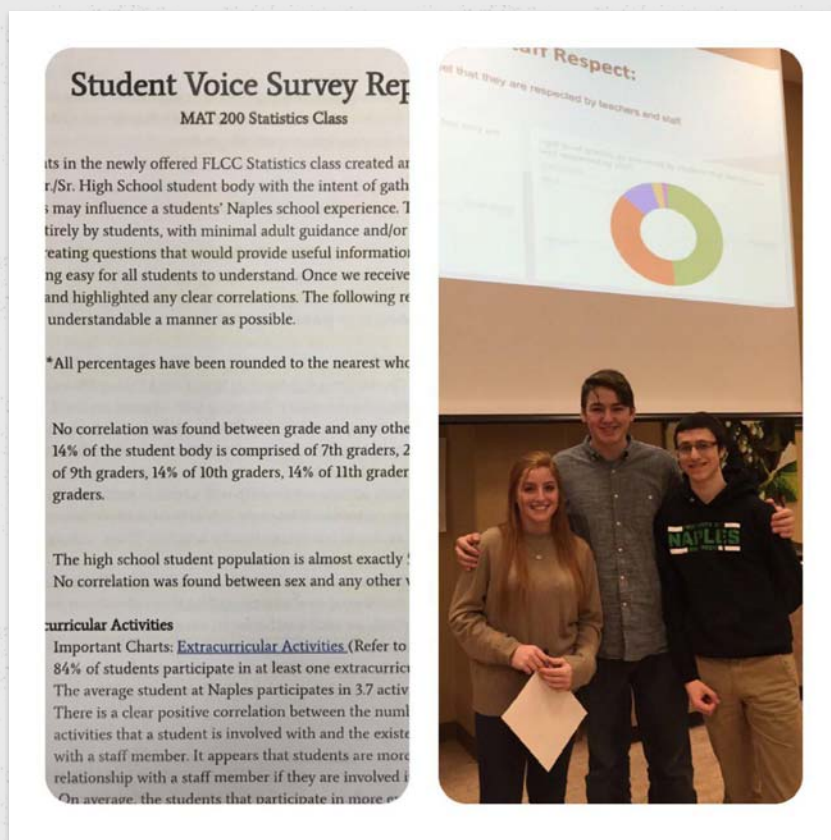

BATTLE OF THE BOOKS

During the month of February, the HS library hosts the second Battle of the Books of the year. Students on four different teams compete by answering trivia questions about their books. The winter battle included six different books: *Scythe*, *The Cellar*, *Dividing Eden*, *Made You Up*, *Saint Anything*, and *Caraval*. Students compete in Round One with two teams moving on to the Finals. First and second place students win prizes, such as movie tickets to Canandigua Movie Theater or an Amazon gift card. It is a fun, competitive way to enjoy reading by staff and students.

NAPLES STUDENTS RISE TO THE TOP! RISE ACKNOWLEDGEMENTS

RISE Student Acknowledgements

- A focus of our work at the High School this year is the explicit teaching of the learner profile attributes: RESPECT, INTEGRITY, SAFETY, and EXCELLENCE.
- In addition to the explicit teaching, we hope to acknowledge students who are consistently demonstrating these qualities.
- Beginning in November, teachers will have the opportunity to nominate students who consistently demonstrate the learner profile attributes identified in RISE.
- The schedule for RISE attribute recognition will be:
 - November ~ Respect
 - December ~ Integrity
 - January ~ Safety
 - February ~ Excellence
 - March ~ Respect
 - April ~ Integrity
 - May ~ Safety
 - June ~ Excellence

UPCOMING EVENTS

March

- 3/15-3/17: RIT Robotics Competition
- 3/16: Teacher Conference Day - No SCHOOL for Students, SPECIAL KEYNOTE SPEAKER
- 3/21: BOE Meeting, 7:00 HS Cafe
- 3/26: Epilepsy Awareness Day
- 3/30: Spring Recess - NO SCHOOL

April

- 4/2 - 4/6: Spring Recess - NO SCHOOL
- 4/11: BOE Meeting, 7:00 HS Cafe
- 4/11-13: NYS Grades 3 - 8 ELA Testing (Paper Based)
- 4/13: END DATE - Quarter 3
- 4/10-11: Naples Grade 7 & 8 ELA CBT Administration
- 4/10-17: NYS Grades 3 - 8 ELA Testing (Computer Based)
- 4/16: RISE Acknowledgements
- 4/16: START DATE - Quarter 4

www.naplescscd.org □ Schools □ High School □ Monthly Newsletters.
- HS Daily Announcements are also located on our webpage. Daily announcements may be accessed as follows: www.naplescscd.org □ Schools □ High School □ Daily Announcements (upper left hand corner).
- Consider following Twitter feeds: @Naples CSD, @Naples Athletics, & @easht_naplescscd.

Kudos: On February 8th we welcomed Jeramy Clingerman, Bonnie Cazer and Cheryl MacDonald from Marcus-Whitman CSD to visit our 6:1:1 classrooms. They were able to see the talent of our teachers, support staff and school psychologist that support these programs. I would like to thanks Tammy Matthews, Jodie Schwartz and Kyle Inda for opening your classroom doors and allowing us to visit learn from their programs.

Training Update: We have had a busy few months of trainings. I attended a CPSE training on February 5. This training was beneficial to me and my learning as well as gave me an opportunity to connect with other CPSE chairs. On March 13th I attended a training on Function-Based thinking with Hailey Lehman. We will be working with Hailey and a team of High School staff on April 19th to look together at our discipline processes for students with disabilities and reflect on changes that we can make.

Regional Connections: On March 12th I had the opportunity to meet and collaborate with regional CSE directors from Honeoye and Bloomfield. We are working together to see how we can provide shared services including, transportation, CTE courses, student programs and professional learning for our teachers. We are planning to continue to meet and collaborate as we look into what we can do together regionally.

Department Update: As a department we are hard at work preparing for the NYS ELA and Math tests. We are ensuring that student testing accommodations are up to date and supportive to our students participating in CBT and paper testing.

CTE Courses: One of the areas of need for our students with disabilities is access to CTE courses to allow them to work toward a CDOS credential. Currently we are sending our students to GST BOCES to receive access to special education support in these classes. On March 8th we invited Jeremy Hughes to our school to work with a team of highschool staff, myself, and Bridget. Jeremy was able to give us an overview of CTE, CDOS and graduation requirement information at this meeting. We will be working with him to set up another day for him to work with our team. Our goal is to develop CTE courses in district which would benefit all students to work toward their graduation outcome.
