Section 1. The Naples Central School District shall undertake certain capital improvements to the School District's existing school buildings and facilities, as more particularly described in Section 3 hereof, and as generally outlined to and considered by the voters of the School District at a special voter meeting on September 11, 2018.

Section 2. The Naples Central School District is hereby authorized to issue its additional General Obligation Serial Bonds in the additional aggregate principal amount of not to exceed \$1,230,000, pursuant to the Local Finance Law of New York, in order to finance the class of objects or purposes described herein, and such additional amount is hereby appropriated therefor.

Section 3. The class of objects or purposes to be financed pursuant to this resolution (hereinafter referred to as "purpose") is certain capital improvements previously approved by the voters of the School District on May 16, 2017, consisting of construction and reconstruction of school buildings and facilities within the School District (each such building being a class "A" (fireproof and certain fire resistant) building as defined in Subdivision 11 of Paragraph a of Section 11.00 of said Local Finance Law), various site improvements, and the acquisition of certain original furnishings, equipment, and apparatus and other incidental improvements required in connection therewith for such construction and school use.

Section 4. It is hereby determined and declared that (a) the aggregate maximum additional cost of said purpose, as estimated by the Board of Education, is \$2,350,000, resulting in a revised total project cost of \$10,075,000; and (b) the Naples Central School District's plan to finance the cost of said purpose is (i) to provide \$1,120,000 from the existing capital reserve fund for such costs; and (ii) to provide up to \$1,230,000 from funds raised by the issuance of said Bonds and the Bond Anticipation Notes hereinafter referred to, with the balance of the financing to be issued under the Original Bond Resolution; and (c) no money has heretofore been authorized to be applied to the payment of the cost of said purpose.

Section 5. It is hereby determined that the purpose is one of the class of objects or purposes described in Subdivision 12 of Paragraph a of Section 11.00 of the Local Finance Law, and that the period of probable usefulness of said purpose is twenty (20) years.

Section 6. The Naples Central School District is hereby authorized to issue its additional Bond Anticipation Notes in the aggregate principal amount of not to exceed \$1,230,000 and is hereby authorized to issue renewals thereof, pursuant to the Local Finance Law of New York in order to finance the purpose in anticipation of the issuance of the above described Bonds.

Section 7. It is hereby determined and declared that (a) there are presently no outstanding Bond Anticipation Notes issued in anticipation of the sale of said additional Bonds, (b) the Bond Anticipation Notes authorized hereby shall mature within one year of the date of issuance thereof or such longer term as may be desired in accordance with the provisions of the Local Finance Law, (c) the Bond Anticipation Notes authorized hereby are not issued in anticipation for Bonds for an assessable improvement, and (d) current funds will be provided prior to the issuance of the Bonds or Bond Anticipation Notes herein authorized, to the extent, if any, required by Section 107.00 of the Local Finance Law.

Section 8. It is hereby determined and declared that the Naples Central School District reasonably expects to reimburse the general fund, or such other fund as may be utilized, not to exceed the maximum amount authorized herein, from the proceeds of the obligations authorized hereby for expenditures, if any, from such fund that may be made for the purpose prior to the date of issuance of such obligations. This is a declaration of official intent under Treasury Regulation §1.150-2.

Section 9. The faith and credit of the Naples Central School District, New York, are hereby irrevocably pledged for the payment of the principal of and interest on such Bonds and Bond Anticipation Notes as the same respectively become due and payable. An annual appropriation shall be made in each year sufficient to pay the principal of and interest on such obligations becoming due and payable in such year. There shall annually be levied on all taxable real property of said School District, a tax sufficient to pay the principal of and interest on such obligations as the same become due and payable.

The validity of said Bonds and Bond Anticipation Notes issued in anticipation of the sale of said Bonds may be contested only if such obligations are authorized for an object or purpose for which said School District is not authorized to expend money, or the provisions of law which should be complied with, at the date of publication of this resolution are not substantially complied with, and an action, suit or proceeding contesting such validity, is commenced within twenty (20) days after the date of such publication; or if said obligations are authorized in violation of the provisions of the Constitution.
